SENIOR PAUL Townley shows his school spirit by displaying his red ax at one of the pep rallies. Check out his wild hair, too.

Take It To The Limit One More Time

We've got what it takes to take it to the top. We always give it our best effort, not knowing what trying will bring us. But even so, we are willing to give it our best shot.

It was a long year. And we've had our share of ups and downs.

Even so, we kept our heads up and stuck together through the adversities. Sometimes we wanted to give up, but we didn't. We kept going, moving, trying.

Students at Diboll High School took it to the top this year academically in UIL and Academic Decathlon competitions.

Everyone who attended Diboll High contributed in his/her own unique way. It didn't matter how much or how little someone contributed; it's was whether they tried or not.

Stand back everyone, Diboll High School students took it and will take it to the top. Because **we've got what it takes** to be successful.

-By Tina McClendon

LOOKS LIKE fun! The band goes crazy during one of the pep rallies. Most of the time the band shows enough spirit for everyone.

T*o the top!*

DIBOLL DAY 1990 was quite an experience for these Diboll Day queen candidates. After much hard work, Angela Furgurson, Kerry Hannah, Janee Jones, Lisa Suarez and JonAnna Bradford raised a total of \$155,878.42 during the preparations for the October 6, 1990 Diboll Day celebrations. Angela's team raised the most money, and she was crowned Diboll Day queen.

ARE WE brave or what? Shane Squyres shows his undeniable bravery by wearing a cheerleader suit to boost the spirit at a pep rally.

School is the place where it happens

To many students, school may just be a place to learn. But at DHS, it's a place to learn, study and occasionally relax and have fun with your friends.

At DHS, students get a taste of every aspect of life. We do our share of sitting in class taking notes, listening to teachers' lectures, taking pop quizzes and tests, waiting for the bell to ring dismissing us. After we have "put in our-

time," then we can sit back and relax.

Before and after school is usually "our time." Students can talk to their friends, their teachers or just hang out, laughing and having a good time.

Whether we're studying or goofing off, students at DHS seem to enjoy it all, good or bad.

JOE THOMPSON, Glen Wells, Robby Wagnon, Johnny McAdams and Steven Wells shoot the breeze before school starts.

JOEL COOK and Elvia Esteves are involved in reading "Jane Eyre" while Ase Lunde concentrates on her Algebra II, although she doesn't look too successful.

Different

CHERYL BELL is one of a kind at Diboll High but it never mattered. Everyone fits in and has lots of friends at good old DHS.

T

"THE MAIN things I like about this school are the FFA Chapter and the Baseball team. This school is really just a place in history where memories are in the making," says Willie Smith.

I

"It's a nice school. I really enjoy going to school with the people here; they are nice and down to earth," says Randy Havard.

MARIA TORRES and her sister, Magdalena, show up at school one foggy day with smiles on their faces, ready for school to start.

ANGELA FURGURSON, Theresa Sheddan and Clemmie Mann seem to be enjoying the facilities of the library while working on research papers.

What It Took For

In the

Testing Booth

Students take many tests in their four years of high school. Among the most important at DHS are the TEAMS Exit Level, Texas Assessment of Academic Skills (TAAS), TAAS Exit Level and California Achievement Test. The Junior Class performed better than all other 11th graders in Angelina County by making great TAAS scores.

Students also took college entrance tests including the Scholastic Aptitude Test, American College Test and TASP test at Angelina College, Stephen F. Austin State or other area colleges. Students who took the SAT or ACT got money back for making high scores. This money came from DHS's Renaissance program. Another test is the Armed Services aptitude test which was taken by those who want to join the service.

These tests influence decisions for the future whether it's college, the service or straight to work. DHS students work hard to do well in the testing booth so they will have a future.

-Cecilia Mendoza

FLORA SILVA, Dee Scarborough and Nubia Rodriguez pay close attention to the instructions for the California Achievement Test test in March.

ILIANA SANTANA and Angie Boles sit at the front table as the other students sit further back while they're taking an important test.

MRS. MARY Ingram, DHS's counselor, helps Tammy Hook and Jesse Luera work the SAT study program on the computer.

SECURITY DURING testing days is always a priority as is evidenced by this sign on the Library's door.

What It Took For

The Year Of 1991

AT BROOKSHIRE Bros., Torya Starghill, one of the cashiers, receives a check for a purchase.

JORGE SERRATOS not only sacks groceries but also loads them into customers' cars if they like.

LETICIA MALDONADO smiles as she punches in the price of the item at the cash register.

WORKING AT Dairy Queen, Tammy Brasher takes an order from Rosharn Moye for ice cream.

All in a

Days Work

After being at school for 4-8 hours for five days a some students from Diboll High go off to work.

They work in grocery and department stores, fast food places, libraries, offices and clinics.

Besides the tasks their teachers give, the tasks required by the students' bosses must be performed as well. They work hard all day to make the grade and make the money. Working after school might put a heavy load on many students but they have their reasons for working and do so with a smile.

It's all in a day's work at Diboll High.

Michael Dowdle, LaToya Young, Guillermina Soto and Julian "Yogi" Jackson proudly display "Old Glory."

Military People

The "Madman of Iraq," Saddam Hussein, terrorized all of our lives in winter as the dreaded war with Iraq started on January 17. Saddam, and the war in the Persian Gulf, were the hot topics in every grocery store, office building, school and beauty shop in Diboll. America trembled as she sent her sons and daughters to fight, perhaps never to return again.

The bravery, determination and love that the soldiers showed for their nation and fellow countrymen will never be forgotten.

Nine seniors have pledged to defend our nation as those before them have done. Christian Barger, Scott Cayton, Eddie Fairchild, Jesse Luera, Hector Trevino, Guillermina Soto, LaToya Young, Michael Dowdle and Julian "Yogi" Jackson are all military bound.

Christian, Scott and Eddie will all attend colleges that offer ROTC courses. Jesse will be non-active ROTC. Hector, Guillermina, LaToya, Michael and Julian planned to go straight from DHS to the Armed Forces.

-By Cheryl Bell and Tina McClendon

Please...

Give Me A Break

Some students at Diboll High School let their hair down on the weekends. After five hard days at school, everyone needs a break.

Musical concerts are one of the favorite ways we seek entertainment. Our music may be different, but the concerts are enjoyed to the fullest, even if we have to go

to school the next day.

Movies are another way we entertain ourselves. Everyone likes to see a movie occasionally.

If someone doesn't like concerts or movies, they are bound to listen to music. Along with the music comes music videos.

One is particularly good, "The Dance" by Garth Brooks. You may not like country music, but read this.

In "The Dance" video, Martin Luther King Jr., John Wayne, the astronauts on the Challenger and Keith Whitley are shown in their daily life. The song says they could have missed the pain, but they would have missed the dance.

These people had what it took to succeed in life, and so do we.

-By Tina McClendon

THESE TWO groups are just two of the many groups that students at DHS like to see in concert.

MANY TYPES of cars litter the parking lot in the Diboll High School.

"GHOST DAD" was one of the many popular movies shown during the 1990-1991 school year.

WHILE BOYS like their cars, girls like to dress nice. Christy Conner looks nice in her silk shirt.

Rolling In The Work

Working 8 to 3, putting the pencil to the paper...." It's a full-time job rolling out of bed and going to school, getting that ball-point pen rolling and off to **WORK!**

Diboll High School is a corporation-in-action with the engineers, executives and managers all being students. We "clock-in" at 8:15 a.m., take a 30-minute lunch break, and on top of that, and we still have to get our assignments in to our "bosses" before 3:15 p.m.

It ain't easy folks, but "it's a way to make a living." But somebody's gotta do it. And students at Diboll High School have what it takes to make it!

HONORS

Academics was one of the most outstanding attributes of Diboll High School students during the school year. Many things such as the high scores achieved on the TAAS test, the first place ranking of the Academic Decathlon team, and the hard work from each individual student, made this success possible.

When the results of the TAAS test came in, DISD was ranked above state average. This accomplishment was achieved by the effort put forth by the students and faculty.

Another accomplishment was the regional championship won by our Academic Decathlon team.

This group of students spent a lot of time preparing for this supreme test. Much of their free time was devoted to making sure everyone knew that they were awesome. After winning regionals, they advanced to state competition in Fort Worth. While at state, they took sixth place out of 25 teams. Overall, the Academic Decathlon team had a great year.

Outstanding individual academic efforts of each and every student at DHS made this a great year. With everyone's hard work and support for each other, 1991 will be a year to remember.

Academic Leaders

T

he Renaissance Academic Banquet highlighted a year of academic excellence. The banquet honored the Academic Decathlon and UIL winners, and many others as over 100 awards were presented in recognition of the students' accomplishments.

James Craft was given a high honor as he was awarded the Rotary Club's Student of the Year.

Cheryl Bell received the Academic Excellence Award, and a special award from the Texas Association of Secondary School Principals in recognition of making the all-state academic team.

More Than Ever

117 Graduates Beat Old Record

Another year has gone and another group of

Diboll High School seniors have said good-bye.

On May 31, 117 pairs of feet marched into the DHS gymnasium. Distinguished feet those were, too, for they belonged to the Class of '91.

Decked in red and white caps and gowns, this year's seniors strutted across the gym floor to the applause of friendly hands. Parents' special seating was on the left side of the home bleachers,

facing the seniors. Reserved parental seats was just one of the few changes.

There isn't enough seating in the gym for everyone who wishes to attend graduation ceremonies so a big screen TV was set up in the cafeteria to catch the overflow. The cafeteria can comfortably seat 100-150 people, according to Principal Bobby Baker. Mr. Baker said that graduation invitations were not limited, however.

Rev. Manning Garrett, a 1968 graduate of DHS,

was the guest speaker for the evening.

The focus of attention, however, was on the Class of '91. The seniors looked sharp and they accepted the diplomas which they had earned with hard work and determination.

Practice for graduation was at 10 a.m. on May 31.

Cheryl Bell was valedictorian of the class with a 96.4 average on the new weighted scale.

Nubia Rodriguez was salutatorian with a 90 average on the same weighted scale.

VALEDICTORIAN CHERYL Bell leaves the podium in the Diboll High School gymnasium after her prayer at the close of graduation ceremonies.

PLAYING TO a packed house, Richardo Robledo and Scott Perry realize that their lives and times at Diboll High School are rapidly coming to a close. They both seem happy about that, too.

SCHOLARSHIP WINNERS are (seated) Tina McClendon, Cecilia Mendoza, Allison Thompson, Cheryl Bell, Clemmie Mann, Nubia Rodriguez, Elvia Esteves, Gabriela Sosa; (standing) Rosharn Moye, Daniel Dover, James Craft, Eddie Fairchild, Chris Sims, John Hernandez, Christian Barger, Kerry Hannah, Scott Cayton, Joel Cook, Angela Furgurson and Melissa Terrell.

VALEDICTORIAN OF the Class of '91, **Cheryl Bell**, says that she is going to be rich some day. "Remember me then, Cheryl," Ms. Perkins says.

Mardi Gras: What A Trip!

T

he time of tests, teachers and TASP was over and DHS seniors were ready to **PARTY!**

At 10 p.m. on May 31, they got their chance. The parents of the Class of '91 threw the second annual Project Graduation.

Seniors readily accepted their parents' gifts since over 90 percent of this year's seniors signed up to attend the 'Mardi Gras' celebration. And, in true 'Fat Tuesday' spirit, the attending seniors were destined to have a good ol' time.

The quiet kid you sat

next to in Ms. Sally Foley's class flung herself across the dance floor with wild abandon.

The Nintendo game room was packed with "Gameboys."

The gym floor brought forth Olympic volleyball stars. The movie room created young Sieskels and Eberts. Casino games and other sporting games were included in the '91 senior's Mardi Gras package. That same package included big prizes which were bought with the money given for winning various games.

T

his was one of the best Junior-Senior Proms that Diboll High School sponsors ever planned.

The theme of this year's prom was "Garden of Dreams," and Mrs. Deena Damron, this year's prom sponsor, said that she and several other teachers held a poetry contest to coincide with the theme.

There were three contest winners: Flora Silva, first place; Gabriel McGaughey, second; and Tangela Hendrix, third. The poems were printed in the prom's program.

The Civic Center was decorated with lollipops, teal, purple, rose and royal blue balloons, multi-colored flowers and carousel horses.

Parents volunteered to bring food and for the evening, and there was a huge Senior cake. Not many people cut a piece of cake, so Mrs. Damron took it to Mr. and Mrs. Jessie Bradford's post-prom party.

Mr. Bradford brought the cake to school the next morning, and the teachers devoured the rest of the it, with special help from Counselor Mary Ingram.

CLUBS

Students at Diboll High School always have something extra to participate in. Many student organizations and clubs are offered at Diboll High. This year Diboll High School has two new clubs, the Math Club and Future Homemakers of America.

The Math Club was formed for students in Algebra II and pre-calculus. Sponsors for this club are Mrs. Lois Clemens and Mr. Bil Killam.

The FHA is for students who have taken and are taking home economics. FHA sponsor is Mrs. Deloras Harris.

These clubs along with other organizations allow the students to interact with friends who have similar interests. This allows students to develop friendships and at the same time explore their interests.

Making The Book

T

he Lumberjack staff started the new year off with a bang. The staff sold ads totaling over \$5,000 to businesses in Diboll and the surrounding communities.

"The staff has worked hard to get this yearbook out on time. I think this will be the best yearbook Diboll has ever had," said Tina McClendon, yearbook co-editor.

The Lumberjack staff included Tina McClendon, co-editor; Cecilia Mendoza, co-editor; Jamie Leavell, organizations editor; Tonya Rogers, academics and honors editor; Melissa Terrell, sports editor and Angie Yates, classes editor.

Daniel Dover and Todd Kellam joined the staff at the beginning of the second semester. Daniel worked on the division pages while Todd ran errands, prepared the old photos for selling, helped everyone work on their spreads and on the computers.

DANIEL DOVER and Todd Kellam joined the Lumberjack staff second semester.

Writing The Headlines

The AX staff was flavored with a Swedish twist this year. Anna Nilsson, an exchange student from Sweden, joined the AX staff. "I've liked to write and I am interested in working as a journalist for a newspaper or a magazine and I felt like this would be a good start for me," she said.

Three old hands from last year came back and fulfilled their positions as editors and assistant editor. John Hernandez and Hector Trevino were this year's editors and Paytria Thompson was the assis-

tant editor.

Other staff members were Cheryl Bell, Elvis Torres, Caressa Neyland, Cassandra McClendon, Marla McGaughey and Tammie Boles.

First year students got the opportunity to rub elbows with the merchants in the community by sellings ads.

The newspaper exchange program was once again revived, adding more area schools to their mailing list.

The AX staff produced six issues of the newspaper using the Macintosh

SE desktop publishing method.

The last twist of the year took place at the District 22-AAA University Interscholastic League meet held at Huntington. Cheryl Bell placed first in feature writing and Ros-harn Moya took second in editorial writing, which earned them a trip to regional contest held in Brenham. Moya placed second in regionals and fifth in the state UIL editorial writing contest held in Austin.

Certainly the AX staff of '91 had what it took.

THE THIRD period AX staff is working hard writing and perfecting their stories for the school newspaper. The AX is published once every six weeks.

FIRST PERIOD AX staff members includes Paytria Thompson, John Hernandez, Cheryl Bell and Swedish foreign exchange student Anna Nilsson.

THIRD PERIOD AX staff members are Caressa Neyland, Hector Trevino, Marla McGaughey, Elvis Torres, Cassandra McClendon and Tammie Boles. Not pictured is Jodi Grandgeorge, who joined the staff during the second semester.

Two New Clubs

F

or the first time in four years, Diboll High School again has a FHA chapter. FHA is an abbreviation for Future Homemakers of America.

To be a member of FHA, students must be enrolled in or must have taken a home economics course and must also pay the annual \$7 dues.

The FHA has been in existence since 1945. The club helps teens assume roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement.

FHA club officers are Darci Ford, president; Elizabeth McNaughton, vice president; Migdalia Lopez, secretary; Jose Gonzales, treasurer; Jennifer Cayton, co-secretary, Darla Ford, historian and Manuel Chugallo Jr., project vice president.

A

nother new club formed at DHS this year. Mu Alpha Theta (math) is a club for high school and junior college students who have had a minimum of six semesters of mathematics including algebra, geometry and advanced maths.

With membership comes the privileges of individual membership certificates, billfold cards, copies of "mathematical log," other recent club publications, information about mathematical careers, regional and national meeting invitations and media publication.

Diboll's chapter is under the direction of math instructors, Mrs. Lois Clemens and Mr. Bil Killam.

MATH CLUB members include Virginia Rodriguez, Isela Olivares, John Hernandez, Mr. Bil Killam, sponsor; Letitcia Maldonado, Tina McClen- don, April Crump, Mrs. Lois Clemens, sponsor; Cheryl Bell, Scott Cayton, Joel Cook, Eddie Fairchild, Jennifer Murphy, JonAnna Bradford and Shaune Martinez.

What Student Councils Are Made Of!

T

he Student Council surely did a lot of good. Every year the Student Council starts out ahead of everyone else. Two days before school started, the Student Council was putting up freshman direction posters, class "welcome" banners, hauling books for teachers and distributing fire-route maps to each classroom. They also came back the day before school started to hand out schedules to students and to "orient" freshman.

Student Council set up

a booth on Diboll Day selling sausages-on-a-stick furnished by the Wurst Haus. They placed cardboard boxes in the classrooms for recycling purposes, they encouraged those taking the TAAS and put flags in front of DHS.

Student Council members gave out red ribbons, operated class elections and presented warnings and threatened fines for those who did not have parking stickers.

For all their efforts, the Diboll Student Coun-

cil was recognized as one of the best Student Councils in Texas and was also recognized for having an outstanding Energy Committee.

The officers are Christian Barger, president; Cheryl Bell, acting president; Kim Baker, secretary; Sheryl Rogers, treasurer; Terry Varela, reporter and Trey Ingram, parliamentarian.

Sponsors of the Student Council for 1990-'91 were Mrs. Lois Clemens, Mrs. Joyce Pezdirtz and Ms. Katy Gorman.

YSSSED, which stands for "Knowledgeable Youth Stand Superior Eliminating Drugs," is a club for students who are proud that they are drug-free. In KYSSSED, the students are voluntarily tested for drugs during the school day.

During Diboll Public Schools' observance of "Red Ribbon Week," the KYSSSED group placed red ribbons around the high school campus.

October 23 was "Bash Out Drugs" day. A-1 Auto Wrecking donated a car for DHS students to "bash." Students paid a quarter per bash. On October 24, all KYSSSED members wore their club t-shirts.

Coach Carol Drake was the group's sponsor.

of France

T

he French Club, sponsored by Mrs. Glenda Jones, provided an opportunity for students who take French to socialize.

The club sponsored two dinners, one at Christmas and one at the end of the year. The club made foods from authentic French recipes. Activities such as these gives the club members the opportunity to socialize and have a real taste of France.

French Club officers for the 1990-'91 year were Marilu Reyna, president; Virginia Rodriguez, vice president; Nubia Rodriguez, secretary; Rosa Valencia, treasurer and Cleo Drake, reporter/historian.

Induction, Reception

Membership in the Diboll High School National Honor Society is open to sophomores, juniors and seniors who have attended DHS for the equivalent of one semester and who have cumulative scholastic average of 4.3 excluding physical education. Students who meet the scholastic requirement are then evaluated by the faculty council on the basis of leadership, service and character.

Membership is never considered on the basis of grades alone. A faculty council, which is appointed by the principal, considers scholarship as the most important of the four criteria. Membership in the National Honor Society is both an honor and a responsibility.

National Honor Society officers for the 1990-'91 year are Cheryl Bell, president; Nubia Rodriguez, vice president; Elvia Esteves, secretary; Virginia Rodriguez, treasurer and John Hernandez, reporter.

DURING A tense moment at a Lumberjack football game, crazy cousins Senior Angela Furgurson and Sophomore Katherine Ledford get a little carried away at biting their fingernails.

Two bits, four bits

The cheerleaders had what it took to excite the loyal Lumberjack crowds and created lots of spirit at the Lumberjack pep rallies and sporting events.

This year the cheerleaders participated in Stephen F. Austin State University's cheerleading camp and they received all blue ribbons.

This year's varsity cheerleaders were Senior Angela Furgurson, Junior Nikki Capps, Junior Janee Jones, Junior Monica Smith, Junior April Crump, Junior JonAnna Bradford, Junior Jennifer Murphy, Junior Stacy Smith, Sophomore Katherine Ledford and Sophomore Marla McGaughey.

The junior varsity cheerleaders were Darla and Darci Ford, Andrea Crump, LaToya Lamb, Cindi Morris, Kim Shadix, Rebecca Shook and Christy Conner.

A

s Drum Major Daniel Dover gave his command, the band snapped to attention for another great season.

Not only did the band perform half-time shows at the football games, but they also performed at UIL marching contest at Stephen F. Austin State University on October 10 where they received a II (excellent) rating.

The band marched in the Diboll Day Parade on October 6, receiving third place in the 4A and 5A division and in the SFA Homecoming parade, receiving sec-

ond place.

On December 6, the band performed their annual Christmas concert before an eager crowd of friends and family.

On February 12, the band was invited by Hudson ISD to play in a patriotic assembly honoring those people who had family in the Middle East.

On April 17, DHS band members traveled to Troup for UIL Concert and Sightreading Contest. The band received a I (superior) rating on stage and a II (excellent) rating in sightreading.

D Movers & Shakers

Diboll High School's flag corps and twirlers worked hard to show that they've got what it takes.

This year was the first year the flags and twirlers had a sponsor. Under the direction of Ms. Katy Gorman,

the flags and twirlers spent many hours in practice putting the finishing touches on their routines.

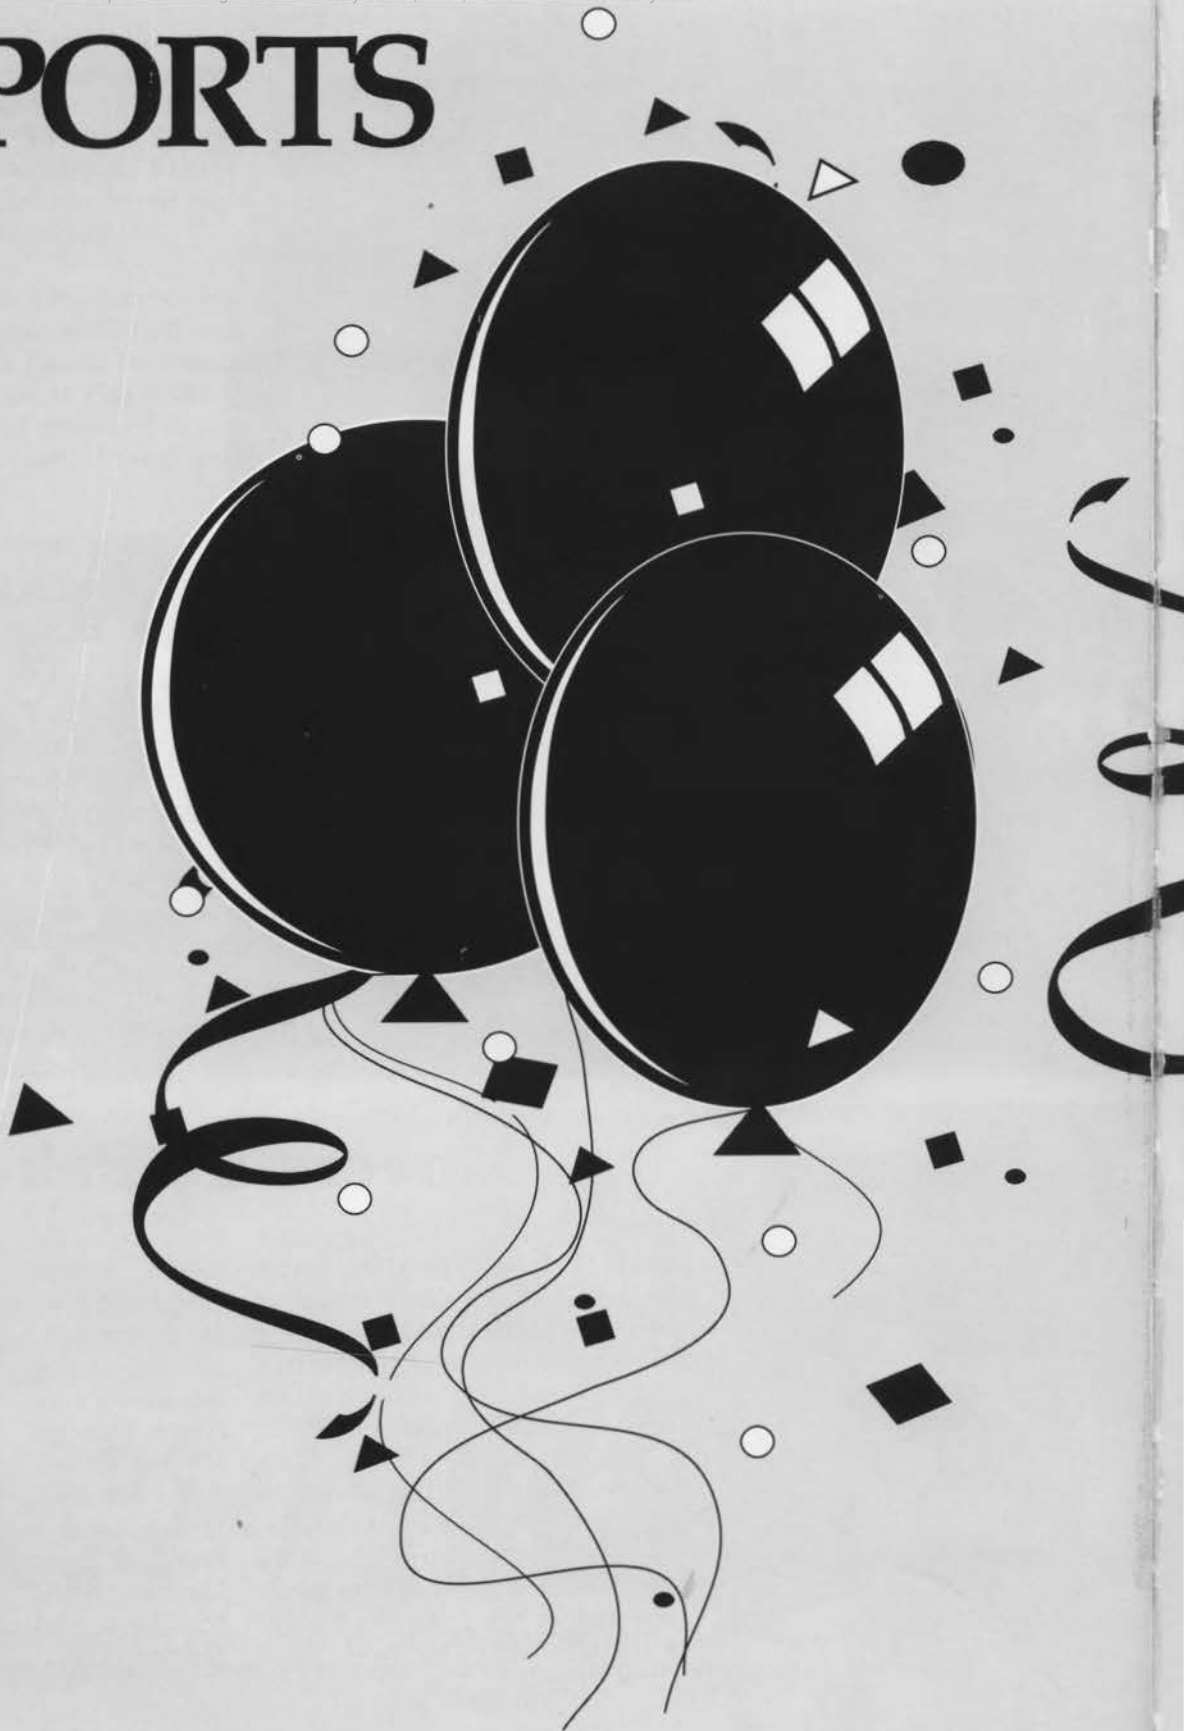

Other than Flag Captain Karen Furgurson, the flag corps members were Rene' McElroy, Jamie

Leavell, Kim Baker, Robin Barger and Tawnya Bowman.

Twirlers for this season were Head Twirler Melissa Terrell, Rosa Valencia, Heather Bradford, Brette Dunlap, April McClain and Debracca Goff.

The flag corps and twirlers performed to entertain the crowd with such hits as "Whole Lot of Shakin'," "Great Balls of Fire," "We Didn't Start the Fire" and "Escapade."

SPORTS

Athletically, this year was one of ups and downs, and one where competition was well-rounded in every sport.

Although the final football scores were mostly on the loss side, Junior Gabriel McGaughey broke the old DHS record for number of yards rushing.

The boys' and girls' basketball season again didn't lack talent or hustle but competition proved to be a bigger test than expected. This year's district was one that showed surprisingly tough teams.

The powerlifting team saw a good season in its second year improving from last year's superb start.

Diboll held its standard in tennis as it suprised some people with its tough competitors, despite not winning the district title. Junior Jaime Don Juan, an understudy for two seasons, advanced to regionals and was greatly improved from his last showing. He almost advanced to state by finishing third in region which was the best performance by any DHS tennis player.

The golf team kept its success going in the right direction with the boys' team winning district despite one of their top scores being disqualified. The girls' team placed third in district, but had a good showing despite its youth.

Just Teeing Off...

T

he Diboll High School golf teams excelled in the District 22-AAA tournament held this year at Diboll's new municipal golf course.

They continued the school's winning tradition with a first and third place wins. Throughout the year, the golf teams competed against San Augustine, Center, Woodville, Huntington and Corrigan.

The girls' team placed third with an overall score of 526 at district. Individually, Junior JonAnna Bradford placed third. The Ladyjacks' golf team members were Gaby Hernandez, Kim Shadix, Rene' McElroy and Bradford.

The boys' team placed first in the tournament held April 8. They went on to compete in the regional contest held in Brenham. Individually, Junior Bud Still placed first in district play with a 68 score.

Sophomore Trey Ingram placed second.

Still placed high enough at the Brenham tournament to qualify him for the state finals.

On May 8, Still placed fourth at the long and exciting state final. Along with other wins, Still won the golf tournament named Crown's Panther Invitational at Crown Colony Golf Course in Lufkin.

As Fast As Lightning...

T

he Lumberjack track season started off big with the District 22-AAA track meet. Everyone thought that Corrigan's boys track team would take first place, but things didn't turn out that way.

Both Diboll and Center surprised a lot of people. Center won the district track meet as they beat Corrigan for first and Diboll was in with a close third. Diboll won a total of 98 points. Robert Lewis, Miguel Mireles, Byron Coleman and Richardo Morales helped to lead the 'Jacks to their good finish as they also qualified for the regionals.

Lewis waited until the district meet to run his best time in the 400 meter dash and to win first with a time of 51.3 seconds. Miguel followed up by winning first in both the 800 meter run with a time of 1:55 and the 1600 meter run.

Coleman won second in the 110 high hurdles followed by Kelvin Brown and Joseph Phipps who finished fourth and fifth respectively. Coleman also won second in the 300 intermediate hurdles with a time of 39.90 seconds and third in the triple jump.

Morales finished second in discus with a throw of 124 feet, and Josh Parks took third in pole vaulting. Jose Mireles and Michael Nettles finished fourth and fifth in the 3200 meter run. Charles Moses took fourth in the high jump.

The 400 meter relay team won fourth place. Team members were Julian "Yogi" Jackson, Moses, Lewis and Asaka Hubbard. The 1600 meter relay team also placed fourth. Members of the team were Michael Sheffield, Lewis, Coleman and Miguel.

In the JV boys' competition, Armando Jiminez, Chris Roberts and the 1600 meter relay team had good showings for the 'Jacks. Jiminez finished fifth in the 200 meter dash and third in the 800 meter run. Roberts placed fifth in 300 intermediate hurdles. The 1600 meter relay team came in fourth. We're Number One

T

he Diboll varsity Lumberjack baseball team had a good (7-1) pre-season despite much bad weather. The team's only loss came in the second game of a double-header between Cleveland and Livingston. They lost in a close, 2-1 extra inning game against the Livingston Lions.

The strengths of this year's ball club were good pitching and they started swinging the bat better at the plate. The pitching staff was strengthened with the addition of the new pitching arm of Scotty Rayborn, along with good, consistent pitching from Jaime Flores, Tony Cathcart and Willie Smith (all returning pitchers).

The 'Jacks had six returning lettermen from last year's ball club. They were Eddie Hernandez, Jason Smith, Cathcart, Flores, Smith and Rayborn.

The 'Jacks' outfielders included Efrain Reyes and Arturo Sanchez (left field), Rayborn, Cathcart and Flores (center field), Richard Farley, Orlando Ordaz and Mike Dowdle (right field).

On this year's ball club, in-fielders included E. Hernandez (first base), Jason Smith and Chris Wells (second base), Flores, Ordaz and Marco Solis (shortstop), Royce Adkison, John Hernandez and Solis (third base) and Jose Hernandez and W. Smith (catchers).

The 'Jacks were coached by Head Baseball Coach Jeff Stifle, Assistant Coach Chuck McKeon and JV Coach Terry Johnson.

This year's district play consisted of two rounds. To advance to district play-offs, the 'Jacks had to have placed first or second in one of the two rounds of district play to have had a chance to be in a play-off to see which team represented District 22-AAA.

Unfortunately, the end of the season came quickly with an 11-1 loss to Woodville.

Despite the team not winning the district championship again this year, the 'Jacks had a great season.

THE VARSITY baseball team members are (1st row) Omar Flores, Marco Solis, Michael Dowdle, Chris Wells, Orlando Ordaz; (2nd row) Jaime Flores, Tony Cathcart, Arturo Sanchez, John Hernandez, Eddie Hernandez, Jason Smith, Scotty Rayborn; (3rd row) Coach Chuck McKeon, Felipe Sanchez, Efrain Reyes, Richard Farley, Willie Smith, Royce Adkison, Jose Hernandez and Head Baseball Coach Jeff Stifle.

THE 'JACKS' huddle as they listen to instructions from their head coach, Jeff Stifle.

THROWING THE ball back to the in-field is Eddie Hernandez.

LUMBERJACKS

DHS SHOWS its support and spirit for the Lumberjack baseball team.

COMING OFF the baseball field from practice are Orlando Ordaz and Jason Smith.

J O S E HERNANDEZ takes off for first base as he watches his hit fly.

SLIDING HOME safely to increase the 'Jacks score is Shaune Martinez (#5).

SECOND BASEMAN Jimmy Nash (#6) attempts to get the runner out.

CROSSING FIRST base, Eddie Villagrana (#10) makes a safe run.

"Batters Up!!!!!"

THE 1990-'91 JV baseball team members are (1st row) Coach Terry Johnson, Rodney Cheshire, Jesus Vela, Jimmy Nash, Eugene Sandoval, Brad Hampton and Aaron Sanchez; (2nd row) Eddie Villagrana, Ira Murray, Jeff Brooks, Adam Rios, Randy Havard, Jose Santana, Shaune Martinez, Daniel Blanton and Wiley Quarles.

D

iboll High School's baseball program had a difficult season this year.

Bad spring weather had a great impact on the team this year because of cancelled games, and re-scheduling games was quite a problem, according to Mr. Jeff Stifle, head baseball coach.

The Lumberjacks played three games in a week instead of two a week. Still the 'Jacks showed that they would not give up, even in the toughest of times.

Time and time again, the Lumberjacks proved that they had pride. In the first round of play, they finished with a 5-2 record and in third place. In the second round, they finished with a 4-3 record.

The junior varsity team didn't do too poorly, either, with a 7-6 overall win-loss record.

"This year's JV squad had a lot of

participation from the players," JV Coach Terry Johnson said. Many of the JV players showed their real competitive edge, he said.

Some of the games were lost by only one point.

One of the toughest teams JV played was Lufkin's JV baseball team.

"When you play against a competitive team, your ability to improve gets better. And if JV keeps a good competitive edge, they will be a good varsity team," Coach Johnson said.

Coach Stifle said that the 1992 team will probably be different since the younger players will have some solid experience and there are really good pitchers on the team.

"Even though I didn't have the great season that I dreamed about, or the wins along the way, I still managed to find some good friends." — *Gabriel McGaughey, Junior Full-back, Varsity Lumberjacks*

BLOCKING FOR Julian Jackson (#8), Paul Townley (#71) opens the way for a victory against the San Augustine Wolverines, 21-7.

GABRIEL McGAUGHEY (#3) runs for the goal line to make his last touchdown during the 'Jacks' season. He ran 269 yards against Huntington, breaking a five year record.

Teamwork Pays Off In The End

We're Proud Of Our 'Jacks

Even though the Diboll Lumberjacks tried their hardest, their 1990-91 season ended with a record of 2-8.

With quite a few inexperienced players, work was hard for the Lumberjacks and as the season progressed some players became injured such as Junior Royce (Tater) Adkison. He broke his arm in the game against Palestine-Westwood. In another game, senior Hector Roman received a concussion.

As the season progressed, the players found themselves just running out of time. As the inexperienced players became experienced and the players and coaches got to know one another better, the season became shorter and shorter.

Their first win came against the San Augustine Wolves with a score of 21-7 on October 26 at the Lumberjack Stadium.

With one win under their belt, the Lumberjacks continued on their quest for more wins.

The 'Jacks never lost ground, and their afternoon practices continued to improve more than ever before.

Junior fullback Gabriel McGaughey seemed to work especially hard. He broke a five-year old Diboll High School record for total yards scored in one game when he made 269 on the ground and in the air against Huntington.

The last win for the Lumberjacks and their biggest and best win for the '90 season was in the last game of the year against arch rival Huntington that ended with a score of 61-21.

MEMBERS OF the varsity Lumberjack football team are (1st row) Gabriel McGaughey, Werlon Guillory, Gerald Griffin, Kelvin Brown, Julian Jackson, Jaime Flores; (2nd row) Coach Barry Walker, Santana Drake, Omar Flores, Chris Wells, Hector Trevino, Michael Curry, Efrain Reyes, Jemark Mallory, Juan Hernandez, Head Coach Russell Roberts; (3rd row) Coach Gregg Spivey, Robert Davis, Elvis Torres, Shane Squyres, James Craft, Johnnie Sims, Daniel Thomas, Sean Hendrick, Coach Jeff Stifle, Coach Terry Johnson; (4th row) Paul Townley, Desmond Brown, Richard Farley, Hector Roman, Eddie Fairchild and Jonathan Maness.

Working Hard In '91

T

he JV-Freshman football teams tied for first in the district with a 4-1 record.

The JV team, which combined with the freshman team before district, posted victories over Corrigan and Woodville. The victory over Corrigan was the highlight of the season. The game proved to be close and the lead changed several times. In the last moment, the 'Jacks marched to a 32-30 victory. They later beat Woodville 32-6. Their only loss came in a close 14-18 game against Center.

With the two victories and the one loss, and with the help of two forfeits by San Augustine and Huntington, the 'Jacks compiled their 4-1 district record.

The JV-Freshman 'Jacks were headed by Coach Gregg Spivey and assisted by Coach Terry Johnson and Coach Barry Walker. Some of the key players for the 'Jacks were Omar Flores, Richardo Morales, Orlando Ordaz, Josh Parks and Damien Mark.

IT WAS an extraordinarily tough football season for the Diboll Lumberjacks, ending up with a season record of 2-8. Monsterback Mike Curry, a junior, played well but had a hard time during this game with the Corrigan-Camden Bulldogs.

MANY HOURS of hard work pays off as the JV football team prepare for their next big game.

PEOPLE

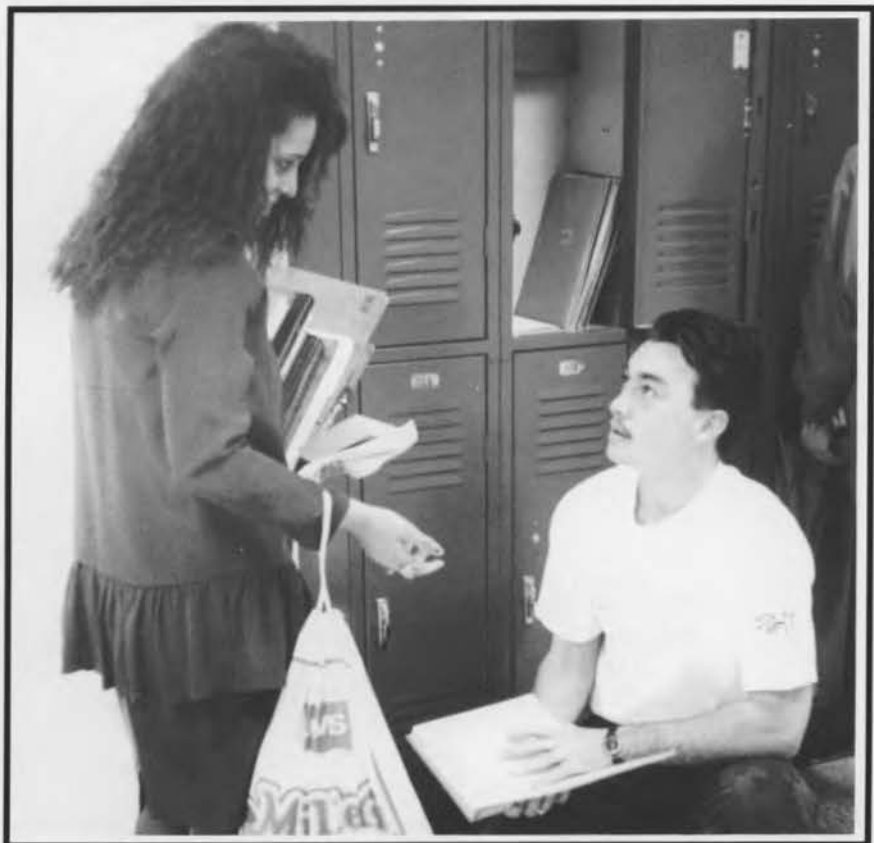

The students at Diboll High School are a special group of people. Each individual contributes to the make up of Diboll High. Without the students Diboll High School would not exist as we know it, because Diboll High is the students.

At Diboll High School, every person has a place be it in a classroom, organization, sport or a special event.

At pep rallies, the encouragement of the student body gives the football team the desire to do their best on the field.

The whole senior class works together every year to make memories to hold for a lifetime. At the same time the junior class is raising money for the prom and the sophomore and freshmen classes observe the activities to learn from them. So as you can see students at Diboll High School are active. They are all needed at some point in time.

ADS

Many of the Angelina County businesses helped the production of 1991 yearbook. These businesses buy ads from the yearbook staff to support the funding of the yearbook. The staff also sells congratulatory ads to individuals.

The yearbook staff began selling ads the first day of school. This was the staffs' first priority. Without the selling of ads, it would be hard to fund the yearbook.

The staff participated with all their heart because their grade depended on how many ads they sold. The more ads you sold the better your grade would be. So every staff member tried to sell as many ads as possible.

The yearbook staff raised over \$5,000 by selling these ads. This money goes to help pay for the printing expenses.

Selling ads was a great way for the staff to meet and deal with people in a business situation. This will help them when they are out in the real world.

Because of the staff's hard work in selling the ads, they surpassed their goal of \$5,000. This shows that these students know what hard work and dedication means.

We back the Lumberjacks!

There's a lot of talk...

about America's dependence on foreign oil. But there's one natural resource that we don't have to depend on anyone for -- trees.

American forests are unmatched anywhere in the world for their productivity, and provide trees for things like lumber and paper better than any other forestland on earth.

Temple-Inland's® managed forests are yielding up to twice the wood volume per acre than unimproved pine stands.

These productive forests mean that the wood and paper products Americans depend on will be provided for generations to come.

EXPECTATIONS

...we all have them, and sometimes things happen to change them.

But there are some expectations that never change — like the fun and comfort of a best friend, the satisfaction of a good test grade, or the chills a school song brings when sung across a lighted field.

At TU Electric, we realize you have expectations of us, too — like having the electrical power ready when you turn on your computer, put on some records or plug in the blow dryer. And when the power does go off, we know you expect it to be restored quickly.

And it will be. That's just part of our commitment to provide quality electric service to customers.

Dedication

The 1991 LUMBERJACK annual staff takes pleasure in dedicating this yearbook to Mrs. Bettye Greer and Ms.

Ann English.

Mrs. Greer officially retired on June 14, but she was here working for free for

several weeks after that.

Ms. English retired on May 31, the last day of school.

Good luck to you both.

Mrs. Bettye Greer (left), Mr. Baker's secretary, and Ms. Ann English, one of DHS's business teachers, retired from Diboll High School on the same day. These plaques were presented to them at the annual employee's luncheon on June 1 at DHS.

THE GREER'S came to surprise Mrs. Bettye Greer during her retirement party. Seated from left are Michael McCullom, Jean (Greer) McCullom, Kristen Greer, former DHS Principal Bill Greer, Mrs. Greer and (standing) James and Becky Greer.

MS. ANN English, a long-time business teacher at Diboll High School, retires after teaching here for 21 years. We will miss you, Ms. English.

PRINCIPAL BOBBY Baker makes a presentation to Mrs. Bettye Greer at her retirement party on May 31. We will miss you, Mrs. Greer.

Colophon - or this is how we produced this yearbook

THE 1991 LUMBERJACK staff started out the year by voting for the theme of this year's yearbook, and they chose "We've Got What It Takes" to make it.

Everyone on the all-girl staff (at least during the fall semester) wanted this yearbook to be especially FUN...FESTIVE. So we decided to use balloons on the cover, on the title page (page 1), on the spot color pages in the Senior section, and on the page numbers on each page. What's more festive than balloons? Right?

The total price of producing this yearbook was about \$9,000, \$5,000 of which the yearbook staff raised by selling advertisements in the back of the book. Printing costs have escalated so that we had to raise the price of the books to \$20 per book. Two hundred books were ordered, and if we sell every one of them, we will break even on this annual's printing costs.

The yearbook's printing company was Herff-Jones again this year, and it was completely produced on a

Macintosh SE computer system using what is basically the PageMaker program. The book was actually printed at the HJ plant that's located in Montgomery, AL. All rights remain the property of the Diboll Independent School District, Diboll, Texas.

Ms. Sue Perkins was the adviser.

Most of the headlines, all of the body copy and captions were set in a typeface called Palatino.

Most of the staff worked consistently and well on their pages. Staff members were Jamie Leavell, clubs editor; Angie Yates, people editor; Melissa Terrell, sports editor; Daniel Dover, division page editor; and Todd Kellam, gopher and computer expert. The guys joined the all-girl staff for the spring semester, and they were a joy.

Cecilia Mendoza and Tina McClendon were co-editors and were responsible for the opening section which is always the "personality" of the book.

- Sue Perkins, Adviser
