WE'VE GOT SPIRIT!

The tri-cultural spirit of DHS is diverse, unique

After you leave Diboll High, you will stand alone weighing your choices, knowing that either way you turn, you will no longer have someone constantly by your side to help you in making decisions.

After graduation, it is again time to weigh your morals and values, and to decide what you want to do for the rest of your life.

Either way you go, you will always interact with others who have come

ahead of you. You will learn from their mistakes, and most certainly you will make some of your own.

But no matter where you go or which means of travel you take, you will always have the sky above you to remind you that "The Sky is the Limit" when you are a student or former student of Diboll High School.

We can do anything. We must try to do something constructive with our lives. -Christi Richardson

WE HOPE it is Halloween, Billy Clifford!

JENNIFER JONES, Shelly Castillo, Coach JoAnn Stephens, Kristen Bradford, Heather Brandon, Michelle Cordell, Lynetta Bean, Perla Fernandez and Chris Swallows have fun.

RICARDO MORALES, Ira Murry and Mike Smith dress up as cheerleaders and lead a cheer for good old DHS.

THIS YEAR'S Diboll Day Queen candidates are (l-r) April McClain, Erin Kellam, Angela Furgurson (1990 Queen), Jennifer Sweeny and Robin Barger.

TUG-OF-WAR IS becoming a tradition in the Diboll Day activities.

JENNIFER SWEENY receives the distinct honor of being crowned the new Diboll Day Queen.

Diboll Day 1992 proved to be an exciting event for hometown folks and former residents who returned to visit again this year.

From the beautiful parade to the tug-of-war and the Garth Brooks look-alike contest, the activities entertained everyone. Plus, there was plenty of food and laughter to fill everyone's heart.

Jenny Sweeny was crowned Diboll Day Queen. She represented Group 1, and they collected \$105,372. Runner-up was Group 2's April McClain which raised \$93,342. Robin Barger, representing Group 3, and Erin Kellam, representing Group 4 also brought in large amounts of money. The total Diboll Day donations were \$340,793, a new record for Diboll Day.

The DHS cheerleaders won first place in their competition and the Lumberjack Band took a second in the band competition.

KYSSD won second place for their float.

QUEEN CANDIDATE Erin Kellam expresses herself well with words and those facial expressions she is so well known for.

GARTH BROOKS, is that you? Many female spectators went wild over the Garth Brooks look-alike contest, which was an added attraction to the Diboll Day festivities.

VARSITY AND Junior Varsity cheerleaders perform for the Diboll Day parade judges.

THE DIBOLL High School Band proudly marches behind senior drum major, Gabriela Hernandez, and sophomore assistant, Brent Barkley.

2nd talent show gives students chance to shine

The 1993 Senior Class sponsored the second annual talent show on April 1 at the Temple Civic Center.

This show is a major fund raiser for the Senior Class. A general admission is charged and refreshments are sold by the senior class to raise money for the senior trip.

One purpose of the talent show is to give everyone a chance to be in the spotlight and show off their hidden talents. This show consisted of a wide variety of entertainment including singing, dancing, acting and playing musical instruments.

This year's Mistress of Ceremonies was Junior Shelly Castillo who kept the audience entertained between performances. The performers were all students from Diboll High School.

The talent show has proven to be a big success and may become a senior tradition in years to come.

THE STANDING-room-only audience enjoys the talent show.

Invasion of the 21st century..

Technological changes have already come to the DHS campus. The Media Center has received seven new TV/VCR sets and three high-capacity overhead projectors with 3,000 lumen lamp power. Teachers will be able to use these machines to project images from their computers onto a large screen on the wall.

Another new program at DHS is the TENET (Texas Education Networking). Connected to a computer hard drive and modem, it will be linked with TEA's main frame, and instructors will be able to use electronic mail. For example, the band director could send messages to other districts to schedule band concerts, etc. TENET also has the capability of being used internationally.

A second program is T-STAR operating from 16-foot satellite dish installed by United Satellite Systems of Houston. The four designated classrooms for T-STAR are B1, B2, D1 and D2.

Each receiver room will have a computer hooked up to a modem which will remotely control classroom instruction. An audio system will be used in the classrooms giving students the ability to communicate with the instructor in Austin on the monitor by using a telephone handset.

Each classroom will have a 13-inch monitor, VCR, cable hook-up, metal cabinet for housing this equipment and two telephone lines (one for the modem and the other for audio return equipment).

Mr. Gwain Hanna also said he expects to receive a program called Library Resource Management Systems (LRMS). This program is an electronic dictionary, encyclopedia and thesaurus which will help students with their research.

DR. CRAIG Morton, Mrs. Carolyn Yates, Mrs. Gracie Buford and Mrs. Lisa Williamson give up some class time for a photo. Mrs. Williamson teaches home economics, Mrs. Buford teaches business education, Dr. Morton teaches physical science and Mrs. Yates teaches resource English.

TWO OF the new teachers this year are Mr. Richard Stephens and Mrs. Lisa Jones. Mrs. Jones teaches home economics, and took Mrs. Deloras Harris' place at mid-year. Mr. Stephens teaches mathematics, taking Mr. DuBose's place.

New technology, new teachers

ERIC POWELL, Eric Crager, Bryan Fussell, Albert Hendrix and Jose Sandaval try out the new TENET system in the Media Center. TENET hooks DHS up to the Texas Education Agency in Austin via a computer modem.

MRS. GRACIE Buford shows Yvonne Villaneuva how to operate the new computer in the office education center. Mr. Litton in maintenance made and installed the new cabinetry to hold the computers.

MS. PAM Felder helps Terry Brasher and Maria Carreon improve their reading skills on the new computers installed in her room this year.

DEBRACCA GOFF looks at the 16-foot satellite dish that is installed behind the school to receive signals for the T-STAR system.

KYLE LEWIS learns to work on Ms. Karen Fuller's new computer system that allows her to project her computer screen onto the big screen for everyone's viewing.

Mrs. Capps' time capsule hold seniors' fifth grade histories

Seniors got a blast from the past when they opened the time capsules they made seven years ago in Mrs. Billie Jean Capps' room at Temple Elementary.

Mrs. Capps required her fifth grade social studies classes to write information about themselves...from their favorite rock stars to some personal things. After the students finished, they rolled them up like scrolls and sealed them in sandwich bags. The time capsules have been in Mrs. Capps' room ever since, unopened. Even though almost everyone is 18, Mrs. Capps still remembers who was the rowdiest and even the quietest students in her class that year. Seniors racked their brains trying to remember what they wrote.

The time capsules, made

so long ago, even slipped some of the seniors minds.

Almost one-third of the seniors weren't here to open theirs. Many of them have moved away leaving some wondering whatever happened to their old companions.

Some seniors who now go to school weren't here when the capsule was made. "I came a week late," said senior Josh Parks. Some seniors like Felipe Galindo and Asaka Hubbard didn't come to Diboll until years later.

"Have I changed?" was a question raised by many seniors.

"I wanted to be a teacher when I grew up, but now when I graduate I want to be an interior decorator," said senior Maria Zarzoza.

"I remember a little of

that day," said Senior Ricardo Morales. "I cried while I made mine, only because I had gotten licks from Mrs. Capps," he said.

--By Bibiana Hernandez

The Sky is the Limit

GRADUATION FROM high school is the biggest accomplishment to date for (l-r) Sam Baker, Kim Baker, Imelda Baez, Neely Allen and Megan Allen.

The 90-member class of 1993 was the smallest class that had graduated from DHS in some time.

But this class recorded some "firsts" and "lasts" for themselves - they were the first class to go all four of their high school years at the "new" Diboll

High School. They were also the first class to ever receive a coat of arms. It took the hard work of the seniors and Principal Bobby Baker for the Class of 93 to receive this honor.

The 1993 Seniors were also the last eighth grade class to graduate from Temple Jun-

ior High School before the school moved to the old DHS building.

They are the last Senior Class to graduate under Principal Bobby Baker. In May,

Mr. Baker accepted the superintendency at Central ISD and he began his job there on June 1.

The school's office personnel changed this year. Mrs. Janice Milligan went to Elementary School after she had heart problems but returned to assist Counselor Mary Ingram with her various duties. Mrs. Florence Adkison moved to Mrs. Milligan's spot, and Mrs. Ana

Castillo left to go to work for Temple-Inland in the spring. Mrs. Dottie Stewart took Mrs. Castillo's place as Mr. Baker's secretary.

Mrs. Deloras Harris, a home ec teacher, resigned in the spring, and Mrs. Lisa Jones took her place.

JUNIOR CLASS President Shelly Castillo receives her senior ring from her father, Ruben Castillo, at the first ring ceremony. Administrators hope to make it an annual event.

This year was busy year at Diboll High School. The Junior Class was exceptionally busy with the first annual ring ceremony which was organized by the class officers. The Art Club was also involved in this event. They built a huge ring for the juniors

to walk through.

The Juniors also worked several months planning the prom and many days decorating to make the prom one of the most memorable for the Seniors.

The Sports Banquet was held on May 20 at the Lottie and Arthur Temple Civic Center. The biggest

award at the Sports Banquet was the Wilbur F. Pate, which was given to Emily Sloan and Chris Roberts.

The Academic Banquet was held on May 3. The National Honor Society inducted 12 new members.

Graduation was the biggest event for

the 90 graduating Seniors. The valedictorian was Kim Baker and salutatorian was Trey Ingram.

Graduation party was another fun and exciting event for seniors and their guests. The theme for this year's party was "Boot Scootin' Free in '93." At the party, the seniors

had dance contests, played Bingo and "Wheel of Fortune," basketball, roped "calves," played cards in the Casino Room, played volleyball, made computerized photos of each other and auctioned off TVs and answering machines.

Special Events

This year's prom committee made an extra effort so that the seniors of 1993 would have the best prom ever imagined. From invitations to decorations, everything was planned with elegance and romance in mind. "Seniors, we hope you had the best night of your life."

Graduation

Ninety graduates made up the of the graduating Class of 1993 which made it one of DHS's smallest classes, but it was one of the largest in athletic and academic achievements.

This class strived for excellence in many ways and always succeeded in reaching many of those goals. These among other things makes Diboll High

School's Class of 1993 unique and special.

Even though it was a long journey, it was worth the hard hours of studying and determination. This determination made the Class of 1993 the first to ever receive a coat of arms.

Members of this class wrote their own personal histories in 1985, and with Mrs. Billie

Jean Capps' help, opened these time capsules this year. This celebrated Diboll public schools' 100th anniversary year.

The Class of 1993 was also the first class to attend the "new" Diboll High School all four years.

As the theme of this yearbook states, **"The Sky Is Truly The Limit"** for the Class of 1993.

The Sky is the Limit

THERE ARE academic honors and personal achievements but the largest single honor that a student at Diboll High can receive is Mr. or Miss DHS. This year those honors go to Estela Morales and Demetrius Cunningham. Both students are seniors.

Throughout our high school careers, we have grown and accomplished many things. Of all the achievements we could accomplish, being chosen for Mr. and Miss DHS is considered one of the greatest. To be

eligible for nomination the students have to have attended their junior and senior years at DHS. The nominees also have to have an average above 80.

Another great achievement in our high school career is becoming valedic-

torian and salutatorian. This year's valedictorian was Kim Baker and salutatorian was Trey Ingram.

Being part of the Academic Decathlon team is considered another great honor. This year's ACADEC team scored well, enabling them to go

to regionals and placed 6th in state.

One great honor and the hardest in deciding is class favorite. The student body had a hard time voting for these honors.

Freshman class favorites were Kristen Bradford and Alex

Forney, sophomore class favorites were Dora Enriquez and Malcolm Starghill, and junior favorites were Shelly Castillo and Joseph Phipps.

The senior class favorites were Gabriela Hernandez and Demetrius Cunningham.

DHS captures district in UIL

Diboll won a big first place victory in this spring's University Interscholastic League's competition on April 3 at DHS.

Diboll had a total of 399 points followed by Center with 321 points. Huntington was third, Rusk, fourth; Corrigan and Crockett, tied for fifth; Central, seventh; while Hudson finished eighth.

Diboll won 17 first place honors in the competition.

This year's competition was hosted by Diboll for the first time in over 20 years. Mr. Burlon Wilkerson, an English teacher at DHS, was district UIL coordinator.

Mr. Wilkerson said the students really had something to be proud of since they won the competition.

"We only had six points when we got here" on the morning of April 3, but "we still whipped everyone."

UIL WINNERS are (front) Kari Musick, Amanda Stewart, Jennifer Sweeny, Rosa Valencia, Kim Baker, Sheryl Rogers, Ricky Welch, Michelle Cordell, Jeremiah Phipps; (back) Mrs. Judy Williamson, Mrs. Lois Clemons, Jana Sims, Jeremy Royal, Erin Kellam, Trey Ingram, Brad Cook, Trey Wilkerson, Kevin Tolley, Patrick Kilgore and Mr. Bil Killam.

This year the agricultural students took honors in many events. First was the forestry team which took third placed in state and qualified and competed in tri-state. This has been a big year the forestry division. They have competed in such places as Stephen F. Austin, Houston and Angelina County.

Some of the other events in which they competed were land judging, FFA quiz and farm skills. They placed third in the quiz and fourth in farm skills.

THIS YEAR'S land judging competitors are Sophomores Josh Webb, Amy Smith, Joe Williams and Trey Grandgeorge.

HOLLIE LYLES, Kasie Conner, Jennifer Jones, Kristen Bradford, Lanton Chumley, Amy Smith and Joe Williams won fourth in farm skills and third in the FFA quiz.

KRIS HUNT and Samuel Baker win a plaque for placing in plant identification.

THIS YEAR'S forestry team members are Seniors Jeffery Brooks, Heather Bradford, James Peck and Sophomore Lanton Chumley. This year the forestry judging team placed third in Texas and went on to compete in a tri-state forestry event.

QUALIFIERS FOR the state UIL Band Solo contest are Freshman Alan Tetu, Graciela Reyes, Seniors Kim Baker, Gabriela Hernandez and Junior Shelly Castillo.

THE STUDENTS who competed in the ATSSB All-Region Band contest are Jeremiah Phipps, Carlos Robledo, Shelly Castillo, Patrick Kilgore and Kenith Goins.

FRESHMAN ALAN Tetu, Junior Aishya Johnson, Senior Kim Baker and Junior Shelly Castillo are the outstanding band students who qualified for the Texas Music Educators Association's All-Region Band.

Band honors

This year the band has done remarkably well. First of all, they received first division at the UIL Sightreading contest. They also received a score of 17 for All-Region Band, which was a record. They received new band uniforms this year, paid for by a grant from the Temple Foundation.

This has been the largest band that DHS has had in many years, and they certainly did a good job. Even though the band was large, Band Director Dan English says to expect a larger band next year.

SUSAN WILLBANKS, Kari Musick, Manuela Reyes, Kim Baker, Graciela Reyes, (back) Angela Hawkins, Necia Young, Alan Tetu, Shelly Castillo and Gabriela Hernandez are the band's medal winners in the UIL solo contest.

FRESHMAN Alan Tetu and Senior Kim Baker are the only two from the Diboll High Scholl band who qualified to try out for All-Region Band.

It was a go, go, go year for organizations at DHS.

The Art Club went on a field trip to the Houston Museum and Fine Arts with the money they raised

from selling food.

The French Club accompanied the Art Club on the trip and paid for half of the expenses.

Some members of the Math Club, along with sponsor Lois

Clemens, took a trip to Honolulu last summer. They took part in many math contests, and saw various places such as the Polynesian Cultural Center.

KYSSSED had sev-

eral dances and had many projects going underway to raise money for their trip to Six Flags in May.

The Spanish Club sold posters and cards to raise money for their club so they

could go to San Antonio next year. As a reward, sponsor Teena Kellam invited members over to her house for a pizza party during the last week of school.

Additionally, the band received a second place trophy in the Diboll Day Parade competition. When Gov. Ann Richards visited Lufkin, the band was invited over all the other bands in Angelina County to perform for the governor. The band was also invited to be in the opening ceremonies of the Special Olympics.

Individual band members excelled this year also.

Eleven Lumberjack Band members earned a total of 17 positions in various All-Region bands and orchestras this year.

Council monitors elections

Cooperated from an original at The History Center, Diboll, Texas. www.TheHistoryCenterOnline.com

One of the most important things that the Student Council does is act as a governing body for the students of a school.

In that capacity, Council members monitor student elections that are held each year, such as Homecoming Queen, class favorites and officers.

Several members of the DHS Student Council attended the district convention in the fall that was held again in Brownsboro.

They were also actively involved in raising money for St. Jude's Children's Hospital.

Mr. Bil Killam was the sponsor.

French Club raises \$1,200 for trip

In the fall, the French Club raised \$1,200 to fund their spring trip to two Houston museums. They visited the Museum of Fine Arts and the Museum of Natural Sciences which brought some culture to members

of the club. After viewing French art, the club had an exclusive dinner at La Colombe D'or French Restaurant. Along with this trip the club hosted a Christmas play, took gifts to the local nursing home, and

FHA

busier than ever

The Future Homemakers of America had new sponsors this year. Mrs. Deloras Harris took the role as FHA sponsor during the first semester, and Mrs. Lisa Williamson and Mrs. Lisa Jones took over the second semester when Mrs. Harris resigned. They all did a great job because this group of students has been one of the busiest at this school.

This could also be due to the fact that they had great student leaders.

The officers were Tythia Jackson, president; Stacey Taylor, vice president; Brandi Frankens, secretary; Ella Thompson, vice president of public relations; Maria Wittenberg, vice president of HERO; Griselda Reyes and Diana Sarmiento, historians; Jamie Busby, vice president; and Keokuk Carpenter, vice president of recreation.

This group of hard-working students participated in many excellent activities this year. They started out their year by making a float for the Diboll Day Parade which was held October 3.

They also attended the Red Ribbon Day Parade on October 24. Then as a finale to their parade activities, they had a float in Lufkin's Christmas Parade.

When they finished their parades, they got ready for the Angelina County Youth Fair which was held in March.

Their Region III Leadership meeting was held at Stephen F. Austin this year. Then they ended their eventful year with the State Leadership meeting at Houston April 15-April 17.

FHA also did some community work this year. The Homemaking students went to the pre-school to learn about children and teaching.

It looks like the officers and sponsors did a great job with their roles this year.

FCA

always tries to help

The Fellowship of Christian Athletes gives DHS students and all athletic participants a chance to help the community.

Activities for this year included the group's annual Christmas food drive for the less fortunate in Diboll.

FCA also had several local ministers and youth directors from our local churches. Rev. Buster Griggs from Diboll's First Baptist

Church, spoke earlier in the year along with Rev. Mike Proctor, a representative from the local Methodist Church.

Mr. Jeff Robinson, the youth minister at Diboll's First Baptist Church, spoke with these young people. Also Diboll ISD's own Mr. Jay Wyatt, a member of DISD's School Board, talked to FCA members.

The FCA has great sponsors and great members. These sponsors really care about the well being of the student body and their students know they can count on them to help whenever help is needed.

Coach Mike Williams and Coach JoAnn Stephens were sponsors of this organization.

This year the group had 14 members. President was Trey Ingram; vice president, Christy Conner; secretary, Shelly Castillo and treasurer, LeaAnn Hendrick.

FFA

has busy but great year

The FFA started off the year with the Pineywoods Fair held in early October. Later in October they participated in the district FFA leadership contest. A district FFA banquet followed in January.

They participated in the Houston Livestock and Rodeo in February. After the Houston Show, they participated in the Angelina County Youth Fair. They went to the Area IX convention. THE FFA also attended the state FFA convention.

The president this year was Heather Bradford; vice president, Kris Hunt; secretary, Amy Smith; treasurer, Jason Conner; reporter, Jeff Brooks; sentinel, Lanton Chumley; and parliamentarian, Christi Richardson.

There were 37 FFA members this year, and Mr. Jesse Bradford and Mr. Robert Washington were the sponsors.

They also had a contest called "The Mile of Quarters" in November. Members won a third place ribbon in Diboll Day activities for their nacho booth. Members put in many hours decorating their Diboll Day float which won third.

Annual, newspaper make publications

This year's Lumberjack and AX staffs worked hard to publish the best possible publications. A lot of time and hard work went into both publications. Both staffs went out into the public and sold ads to local businesses in order to financially support their publication.

The staffs are made up of many hard workers and without some of them these publications would not be successful. Some students even stayed after school so they could work to meet their publishing deadlines.

Being on either staff was not only hard work, it was a learning experience. The times were not just work. The staffs also had many good times, building never-ending, pleasant memories.

Diboll High School's sports year faced a few serious downfalls but overall Diboll had many exciting moments.

With a 0-10 season, this football season was one posterity could learn from. But even through it all, the Lumberjacks showed good

sportsmanship and not once did the Jacks stop trying their best.

The boys' basketball season was excellent making it to the bi-district playoff game but fell short of winning against Madisonville.

In girls' basketball, the Ladyjacks won 11 season

games, setting a new team win record.

Spring sports showed many improvements. Senior Ricardo Morales placed first in international powerlifting competition.

Both track teams did a great job. The entire girls track made

it to regionals. Shelley Castillo made it to state for the second year in a row for the 1600-meter run. The boys track team placed second in regionals for the second consecutive year.

In golf, Trey Ingram finished second in district and seventh in

regionals.

In baseball, the Lumberjacks finished fourth in district. Senior catcher Orlando Ordaz was this year's most valuable player, and went on to join Angelina College's team. Everyone on the team tried hard and did a good job.

"The Diboll Lumberjacks football team started the season off with high hopes. They were looking forward to making a repeating appearance in the playoffs this year. Unfortunately, the team failed to produce. When the season kicked off, the team was inconsistent," Head Coach Russell Roberts said.

"The team was doing things right, but they just couldn't keep doing them right all the time," he said.

Coach Roberts said he feels that if the team would have gotten an early victory they might have stayed on a winning streak. After losing a few games, the team's confidence slowly declined but they never quit.

Coach Shane Holman said that "a season is made or lost on one or two key plays per game. Unfortunately, we didn't make these plays."

He went on to say that he feels that the young 'Jacks team will learn from the mistakes they made this season, and that they will use this experience to go forward.

Lumberjacks win 2nd in 20-AAA district

The Diboll Lumberjacks had an outstanding district season. Before going into district play, the team's goal was to win district and go to the playoffs, but they fell short of winning district. They did accomplish one goal, however, and that was going to the playoffs. They came in second place.

To sum up district 20-AAA play for the season, Crockett won district with a 13-1 record followed by Diboll and Center 11-4, Rusk 9-5, Hudson and Central won 6-8 each, Huntington 3-11 and Corrigan 1-13.

Center and Diboll battled it out in Carthage to see who would represent second place in 20-AAA, and Diboll won by three points to advance, facing Madisonville for the bi-district title.

The Lumberjacks lost to the Mustangs 79-67 to end a great basketball year. High point man was Dushon Goff with 1,239 points for his career. Leading rebounder was Joseph Phipps with an average of eight per game, and he totaled 44 blocks for the year. Asaka Hubbard had 69 steals and 102 assists for the year.

Three freshmen made the team, too. They were Kristen Bradford, Jennifer Jones and LaMartha Kiel. Jennifer won the year's Hustle Award.

At the state powerlifting meet held April 3 in College Station, Senior Ricardo Morales placed second with a total lift of 1,495.

He went on to the national super heavyweight meet and also placed second in the U.S.

Morales won every powerlifting competition that he tried this year, but fell short of his primary goal of winning first in the state.

His first places were in Diboll, lifting 1,480 pounds; 1,515 at the Livingston meet; and at regionals in Corsicana.

In Diboll, other Jacks' who placed were Archie Jackson, third; Trey Grandgeorge, fourth; Eugene Sandoval, second; and Orlando Ordaz, second in his weight class.

Sandoval placed second and Jackson was seventh in the Livingston meet.

At Corsicana, the Jacks' who placed were Sandoval, second and Jackson, third.

Sandoval and Jackson attended the state competition at Texas A&M but didn't compete.

SENIOR ORLANDO Ordaz completes a lift in the 182-pound class. He won second place in the event, and it was the first time he had lifted competitively in a couple of years.

AS EVERYONE watches, Archie Jackson tries his best at bringing home a trophy. Archie placed third in the 148-pound division.

RICARDO MORALES displays his trophies after placing second at the national high school super heavyweight powerlifting championships held in Dallas. Morales qualified to compete in international competition in June.

EUGENE SANDOVAL spots Gabriel Reyes while he lifts in the Diboll meet held January 23 at the Lottie and Arthur Temple Civic Center.

Volleyball picks up pace

Starting the season in August and ending in October, the Ladyjacks volleyball team showed much improvement this year over last year by winning two games.

There were six varsity games and nine JV games. Of the six varsity games, they won over Rusk 15-8 in both games. These were their first wins of the season. Varsity played in three tournaments.

For the first time at DHS, Mrs. JoAnn Stephens coached the Ladyjacks volleyball team. Graduating senior players were Heather Brandon, Cecilia Menefield and Celia Luna.

PATRICIA "FAY Fay" Thomas and Shelly Castillo try to rev up the team so they will make another score.

HELLY CASTILLO volleys the opposing team.

The Sky is the Limit

BROOKSHIRE BROTHERS grocery chain added a self-service gasoline station in front of the Diboll store. Brookshire management also enlarged its Diboll grocery store, too, by adding a deli and a bakery.

Printing of this yearbook is financed primarily by money that is paid by the book's advertisers.

Almost 100 Angelina County businesses and individuals help to finance Diboll High School's annual by purchasing advertising space in this yearbook.

This year the advertising sales students on the yearbook staff sold more than \$6,000 worth of advertising, more money than has ever been raised before through advertising sales.

During the first week of school, the 38-member yearbook staff went out into the business

world, armed with notepads and a little sales knowledge on what to do and what not to do.

One student, Junior Rebecca Landrum, sold over \$2,000 of this advertising revenue all by herself.

Rebecca did not have her own transportation, but this did not deter her.

She used the telephone at her disposal, and she sold ADVERTISING.

Adviser Sue Perkins has been in Diboll for six years, and to her knowledge, Rebecca's sales effort is a first for a student at DHS. "Most students are shy when they get on the telephone to sell an ad to an

adult," she said.

The other staff members sold ads, too, and were required to do so for their first six weeks grade.

Selling ads is a great way for the staff to meet and deal with people in a business environment. This helps students as they go out to find real jobs.

LOVE, YOUR PARENTS

It's Just A Piece Of Paper

Or is it?

For mingled with every paper fiber are the joyful tears of triumph and accomplishment, the sweat of hard work and perseverance, the lasting impressions of friendships and associations. Threads in the fabric of your life.

This simple piece of paper carries a lifetime of meaning. It is a book mark in your history and a passport for your future.

Temple-Inland, through the Temple-Inland Foundation, is proud to support continuing education through two education programs:

the Scholastic Awards Program and Scholarship Program.

This year alone, over \$900,000 will be awarded through the Scholastic Awards Program to the top two ranking students in each high school throughout most areas where Temple-Inland operates. And last year, over \$105,000 were paid in scholarships to children of our employees.

Temple-Inland enthusiastically salutes the seniors of 1993.

A piece of paper? It's no more than what you make of it.

DEDICATIONS

THE NEW superintendent at Central ISD, our principal, Bobby Baker, has been principal of the "new" Diboll High School since it opened in August, 1989. He was the driving force behind starting the Renaissance program at DHS, an academic enhancement and student recognition program that is co-sponsored by Jostens. The Renaissance program is credited with helping to improve DHS students' academic standards at DHS. Mr. Baker left DHS to become the superintendent of schools at Central ISD last June 1. He was a popular principal among students and teachers alike, and he will be missed.

MRS. RUBY Smith decides to stop and smell the roses, and retire from her work at the Diboll ISD administration building where she worked for over 35 years. "Miss Ruby" was executive secretary to four DISD superintendents, W.F. Pate, David Foster, Don Robbins and Jim Dunlap. When Mr. Dunlap moved, Superintendent Bill Ward promoted her to business manager, a position she's held for two years. But now she is retiring and going fishing at Toledo Bend. Lots of love and sincere best wishes to you, Miss Ruby. Come back to visit because we will all miss you in the Administration Building.

Colophon - or this is how we produced this year's annual

The 1993 Lumberjack Staff started out the year by voting on this year's yearbook theme and they chose "The Sky is the Limit."

The yearbook staff experienced growth this again year with two extra classes added. The staff totaled 38 people.

The cover this year was designed by Jostens, and we hope you like the different colors. We all agreed that it was time for a radical change from the school's colors of red, gray and white, and we especially liked the teal, purple and black colors together.

The total price of this year's book contract was around \$9,900, more than \$6,000 of which was generated by selling advertising space, and most, but not all, has been collected. The cost of the book was \$28 with one line of gold imprint the price was then raised to \$30.

The yearbook was published by Jostens Publishing Company and actually printed in Topeka, Kansas. Mr. Richard Sterchy of Spring, TX was our Jostens sales representative.

The yearbook is produced on the Macintosh SE and LCIII computers by using the Pagemaker 4.2 page design program. An Apple LaserWriter IINT and a Personal LaserWriter were used to print the layouts that go to the printing plant to be processed. All of the type in this yearbook was set in a typeface called Benguiat, including headlines, sub-heads, body text and captions.

The book was printed on 80 pound semi-gloss paper, and was bound with Smythe binding. It has 151 pages, and 140 copies were printed.

Senior Carey Havard was editor-in-chief and she did a really good job of seeing that all of the details were taken care of properly. Being editor of a computer-generated yearbook is difficult at best, but Carey is a good photographer and a good leader, and she did a good job.

The 1993 Lumberjack staff generally worked hard to give you **"The Sky is the Limit."** We hope you enjoy the yearbook. We've worked really hard to create an annual with good layouts and photos -- just for you.

— Ms. Sue Perkins, Adviser
