Diboll Primary School is a home away from home for all who learn and work here. Parents, teachers, and students make my position as instructional leader more of a relationship than a job.

Teachers challenge students to do their best while providing the nurture and care that they so fervently need and desire. Special Education classes are staffed with the most caring and concerned faculty for miles around.

I am constantly astounded and overwhelmed by the commitment of our Diboll Primary families and community friends. We thank you for providing support and resources. We also appreciate those who so graciously volunteer under the direction and guidance of our wonderful counselor, Nita Hurley. Without your assistance we could not meet the demands of providing a high-quality education to all of our children.

I would like to express a special thanks to our librarian, Jeannie Mcgaughey, for all the hard work that she put into this project. We hope that this book is a record of friendship and one that will remind us of the joys of childhood - a memory book of the many wonderful times we have spent together at Diboll Primary School.

Riley Armstrong
Principal
Diboll Primary

A COLLECTION OF MEMORIES 2003-2004 DIBOLL PRIMARY TEMPLE ELEMENTARY

Rebecca Donahoe
Principal
Temple Elementary

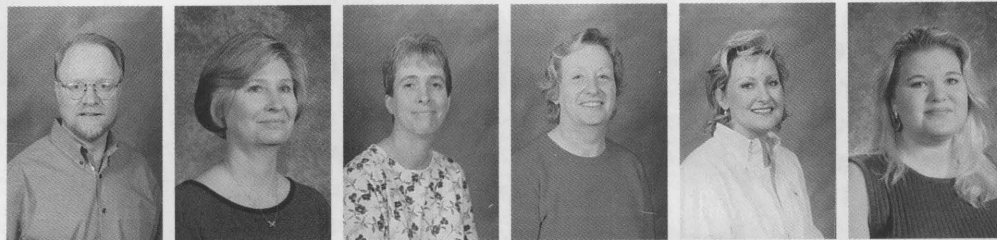

What an exciting first year to be principal! It has been a joy to watch the changes on the campus. Everyone is enjoying the cafeteria with its bright colors and the renovated 5th grade hall. Our teachers and parents can park in the new parking lot. Paint and polish have really given the campus a bright new look this year.

It is fun in an environment where the teachers, students, and parents work together to provide an exemplary academic program. Our teachers are dedicated to making Temple Elementary the best possible place to learn. We truly believe that all students must be winners at Temple Elementary.

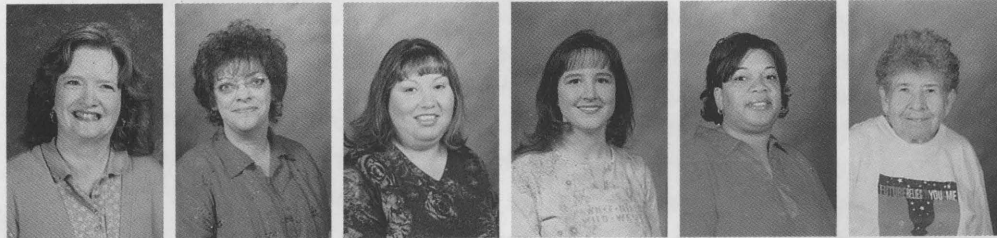

This book was made possible by my many dedicated parents and teachers who gave their time and talents to put together a book of happy memories. We have had many special occasions in each grade level for these memories to be made. This book is a wonderful record of the friendships and experiences we have made together at Temple Elementary in 2003-04.
