Congratulations Medrick Quentin Smith,

From the beginning you were an incredible gift.

You have been God's child. Now you are to become God's servant. Keep striving beyond the National Society of High School Scholars; Who's Who in American High School students; and the National Honor Society. Remember the old

Indian proverb; "On the day you were born you cried and the world rejoiced. Live your life so that on the day you die, the world will cry and you will rejoice." Keep God first and family next. For we know all things work together for good to them that love the Lord and who are called according to his purpose. You have a destiny and you can live up to it.

Your Parents, Grandparents, Aunts, Uncles, Sisters, God-parents, Cousins, Nieces, Nephews, and Brother

Joey,

We want to wish you luck in everything you do. You'll always have your family to support you and give you advice when you need it. Your life is just now beginning, take advantage of every minute.

We love you (Te Queremos),
