Team WORK

We Won Them All

This year both our boys and girls in Cross Country had a great year. We loved that our boys and girls qualified for Regionals. We all had an awesome season, good times being together and pushing one another. We wish our Seniors the best of luck and we will miss them all. We all want to thank Coach Johnson for pushing us and having us running early in the mornings and showing us that we all have potential to become better runners.

Seniors: Francisco Salas, Carolina Silva, Mayra Silva, Rosita Silva, Cody Miller, Esteban Gonzalez

All the way to STATE!!!!

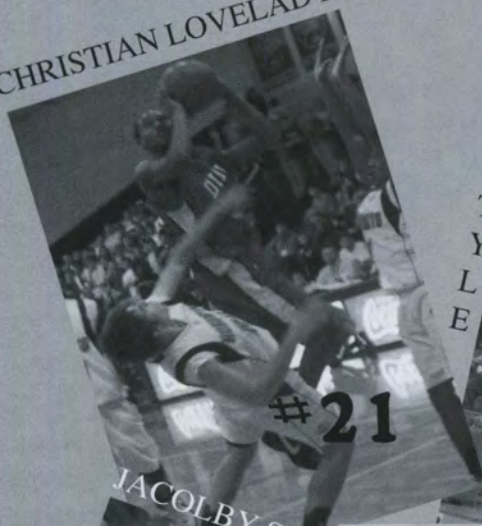

Juan A. Robles placed in fifth place at Regionals on November 3, 2007 with a time of 17:12. He qualified for State as an individual. He did an awesome job this year and hopes that next year that he will qualify once again next year with his boys right by his side and bring home the victory.

Working together makes everyone stronger.

Building a strong community is a lot like building a house. Its strength is its connections. The schools, organizations and businesses that combine many individuals into part of something bigger. With a purpose to pursue. And a passion to prosper. Linking resources to meet vital needs at home. And capabilities to deliver contributions far beyond its borders. Far into the future.
