LEGACY

LEGACY. *What is a LEGACY? It is something transmitted by or received from an ancestor or predecessor. Where is a LEGACY derived, you might ask? LEGACIES are everywhere. They are embedded in our families, school, fellow classmates, and our town. Freshmen are subjected to the LEGACY of the seniors. As seniors, what LEGACY will we leave for the freshmen to continue? What type of LEGACY will the Class of 2013 leave? Each of us are responsible for our own LEGACIES.*

"Everyone must leave something behind when he dies, my grandfather said. A child or a book or a painting or a house or a wall built or a pair of shoes made. Or a garden planted. Something your hand touched some way so your soul has somewhere to go when you die, and when people look at that tree or that flower you planted, you're there.

It doesn't matter what you do, he said, so long as you change something from the way it was before you touched it into something that's like you take your hands away. The difference between the man who just cuts lawns and a real gardener is in the touching, he said. The lawn-cutter might just as well not have been there at all; the gardener will be there a lifetime."

Meet the Jacks

Alexis Rios

Meet the Jacks is a tradition at Diboll High School. It is a pep rally for the whole community to come out and support the Lumberjacks and Lady Jacks for the upcoming year of events. Meet the Jacks is a time to recognize the coaches, band members, Dazzlers, cheerleaders, volleyball, cross country and the football teams. For some students, Meet the Jacks is the first pep rally before they enter high school. For others, it is the last Meet the Jacks ceremony as a high school student. It's a time to show the community what the athletes are capable, and what they dream to accomplish. Once a Lumberjack, always a Lumberjack. The LEGACY left, is strictly up to each athlete.

Dazzlers Tarryn Oliver, Hunter Mercer, and Ashley Coleman clap along with the music from the band while the Twirlers perform.

Juniors, Anibal Lopez and Spencer Shepherd enter the gym as the band plays the school fight song.

Cross Country runners, T.J. Garcia, Andrew Hernandez, Hector Lopez, and Jose Flores are amused by the Dazzler's performance.

J.V. Cheerleaders Esmeralda Tamez, Aubrie Arellano, Analysa Padilla, and Jasmin Santana build a stunt in their "Go, Jacks, Go!" cheer.

FRESHMEN ORIENTATION

Isanely Garcia

Freshmen Orientation is an annual event that occurs before the school year begins. It allows upcoming students to tour the campus, meet the teachers, and locate their classrooms. As all of the freshmen gather in the gym, they first meet the Principal, Daniel Lopez, and the Assistant Principal, Shanna Powers. While in the gym, the students learn the rules they will be required to follow, and the directions for "surviving high school." Although orientation is a serious event, some fun is also thrown in. The band plays, the cheerleaders perform, and the dazzlers dance. This personal pep rally for the upcoming freshmen is only a glance at what is to come for these students entering high school, where they will be able to begin their own LEGACY at Diboll High School.

As Freshmen follow tour guides from station to station, they eventually make their way to the library where schedules are obtained.

Meet the teacher is an annual event that allows students and their parents to meet their upcoming teachers on a personal level. This is also a great time for the students to learn what supplies they will need for their classes, as well as learn what will be expected of them throughout the year. As students pick up their schedules, they are welcomed back to the life of a high school student, where everyone's own LEGACY awaits.

RALLY THE JACKS

Pep Rallies

Hanna Herring

Let's go Jacks! As yet another year rolls around, students and faculty unite to cheer on the athletes as they head into battle on the grassy, green stage known as the football field. Pep Rallies have always been a great way to showcase competitive spirit and have fun. The cheerleaders excite the crowd and pump up the football team. The Dazzlers dance and, well, dazzle the crowd with their killer moves. The band always plays just the right tunes and the Twirlers wow with their amazing hand-eye coordination and ability to handle a baton in choreographed perfection.

As in years before, students are greatly encouraged to interact more and enjoy the festivities of each pep rally. Pep rallies have become more interactive. Silly games are played, and fierce competitions are held. Winners are declared, and losers laugh and grumble on the way back to their seats. Proud parents become paparazzi pros, snapping photos of their favorite athletes and saving memories for the years to come.

Senior Jarvis Shepherd attempts to motivate his fellow students and athletes with his customary weekly pep talk.

Seth Johnson attempts to transfer an Oreo from his forehead to his mouth without it falling to the floor.

SEE YOU AT THE POLE

Hanna Herring

See You at the Pole is a global day of prayer and Christian awareness. It is a day to celebrate freedom of religion in our country and in our school systems. On the fourth Wednesday of every September, Christian students gather around the flagpole to pray, worship, sing songs, and listen to scripture. It is a student-led, student-organized, and student-initiated event. This year's theme is Awaken.

Logan Gilbert, senior, will leave his **LEGACY** through his participation in See You at the Pole. He has played the guitar, sang, led worship, and read scripture his entire high school career.

"God has been a big part of my life since I was in the sixth grade. During See You at the Pole, you can come, worship and hear The Word of God," Logan says.

Coronation Heritage HOMECOMING

Hunter Mercer

With the tradition of Homecoming comes fun and games, beautiful dresses, perfect hair, and the friendly competition of winning the crown. This year two of the newest traditions continue: First, the selection of a King by the entire student body; and second, the Community Pep Rally. The selection of a King began in 2010 when that Senior Class chose to leave a LEGACY of a new tradition. The Community Pep Rally, suggested by Athletic Director, Shane Adair, began last year when the city issued a Burn Ban due to a drought. The Pep Rally was such a huge success, it just had to be repeated. Activities include fun-filled races between student and faculty groups, the toilet paper dress competition between Homecoming Court members, and entertainment on the field by the various spirit groups. With the atmosphere filled with anticipation, the bonfire adds to the night's festivities. By Friday, all votes are in and all await for the results of who will be crowned King and Queen. After the traditional lap around the track, Duchesses and Princesses make their way down the fifty yard line. Once the long awaited announcement is made, the King and Queen are crowned leaving their LEGACY etched forever in Diboll High School history.

Diboll Day

Alexis Rios

Blue Group Candidate Emily Parish is crowned Diboll Day Queen.

Diboll Day was first held in 1953, when money was needed to be raised to fund projects for the growing number of children in the community. Since then, there have been some changes to this celebration, but the overall purpose is very much the same.

This year happens to be the 59th Diboll Day celebration in the Diboll community. To start it off there's a big parade, where churches, schools, other organizations from Diboll and other surrounding areas make an appearance. Once the parade is over, everyone goes to Old Orchard Park where all the excitement begins. There everyone gets to enjoy all the amazing food from different cultures, play tons of games, visit different booths, pet live animals, and get to see people they haven't seen in years. It's a day everyone enjoys. The main event of this day is the coronation of the Diboll Day Queen. Each candidate and her supporters hold numerous events to raise money. The candidate, along with her group, that raises the most money earns the privilege of being crowned Diboll Day Queen. This year the four candidates were Audrey Tamez, Courtney Shivers, Emily Parish, and Isabella Tamez. Each candidate spends much time and energy to host creative fund raisers, but in the end Emily Parish is announced Diboll Day Queen.

Tarryn Oliver

Do you really know the story behind Red Ribbon Week? Enrique Camarena, an undercover agent working for the DEA, sacrificed his life in attempt to put an end to drug abuse. Camarena was kidnapped, tortured, and brutally beaten while working undercover. To honor his LEGACY, and promote being drug free, Red Ribbon Week was created and to be celebrated one week every October. "The Angelina Coalition doesn't have the money to fund Red Ribbon Week this year, but we won't let that stop us", said SMASH Sponsor Olivia Fant. Signs hang in the hallways, decorations adorn the campus, and themes for each day are chosen. ("Too Bright for Drugs," "Don't Let Drugs Mix You Up," "Drop Drugs Like it's Hot," "Scare Away Drugs," and "Black Out Drugs") Red Ribbon Week is a time to raise awareness, as well as the importance, of being drug free while having fun at the same time.

This years theme for Academic Decathlon was Russia, hence the title being written in Russian translating to Academic Decathlon. In Academic Decathlon, students are tested over Economics, Language and Literature, Mathematics, Science, History, Art, Music, and Social Science. The students must also write an essay and give a prepared speech and a impromptu speech. The students compete against other schools and private schools alike. In between studying their eyes out, the team grows together as a whole and becomes a family. They learn to trust each other and have faith in one another's abilities. Topics discussed in Acadec introduce students to the world around them and mold them into more well-rounded students. Acadec also incorporates a good work ethic into the lives of the decathletes. Also, a wide variety of scholarships are available to the stupendous self-rising pupil.

CULINARY ARTS & FCCLA

Melissa Montes

Previous to 2007, students did not have the privilege to be involved in a Culinary Arts program at school, but thanks to the school board, and the willingness of former teacher Mrs. Patricia Berry, students now enjoy an expanded course of Culinary Arts. The current teacher of three years, Mrs. Jennifer Garcia, has broadened the program even wider by allowing her students the opportunity to compete in FCCLA Competitions, the Pineywoods Fair Baking Contest, the Axed Competition, and the Angelina County Youth Fair. They are also provided the opportunity to cook for the School Board and Hugs and Mugs, and the Seasonal Showcase. In the midst of everything they do, the students are given the opportunity to become certified with a ServSafe National Certification, as well as, an Angelina Counties and Cities District Food-Handler Certification, both free to students.

F. F. A. makes a positive difference in the lives of students by developing potential leadership, personal growth, and career success through agricultural education. F. F. A. is not extracurricular activity. The program is a three-part model of education that consists of classroom instruction, supervised agriculture experiences and the F. F. A. Classroom agriculture education is applied to hands-on learning. For example, when you learn how to wrap a horse's leg, the agriculture teacher brings a horse to school and actually demonstrates how a horse's leg should be wrapped. Students then have the opportunity to practice this skill. The F. F. A. organization envisions a agriculture education that will help students discover their course of education, career and personal future. Agriculture is much broader than farming and ranching. Members study things such as Horticulture, Food Sciences, Accounting, Wildlife Management, Mechanics, Forestry and Engineering. As first year members of F. F. A., students must memorize the motto- " Learning To Do, Doing To Learn, Earning To Live, Living To Serve", as well as the F. F. A. creed.

INTERACT CLUB

Christian Griffin

Interact is a Rotary sponsored service organization similar to Rotaract for young teenagers that foster leadership, responsible citizenship, and an understanding of the world. The purpose of Interact is to provide young people with the opportunity to work together in world fellowship, dedicated to serve. Every club must be sponsored by a local Rotary Club and may be either school or community based. The first Interact club was founded in 1905 by Paul Harris. Since then, many Interact clubs have been formed throughout the nation. Daily, Interact members take part in volunteer activities in our community. We participate in multiple activities which include making bracelets to sell for a selected charity, working a candy booth for a holiday event, and cleaning up the local parks and other recreation centers. We have meetings every other Friday where we discuss upcoming volunteer opportunities.

ONE-ACT PLAY - William Shakespeare

The play chosen for this year's One-Act Play is called, "Running Upstream," by Bryan McCambell. The play is about a young man entering high school despite his worries over his physical handicaps, and how his friends and family are forced to look past his arms, legs, and slurred speech to see the person and poet that he truly is. The crew practices countless hours in order to take on the play and become one with the characters. After all the hard work and time that is put into the play, the final result comes down to one meet where only two teams out of seven leave victorious. Although this cast wasn't one of those two teams, they finish with several individual awards. Cassity Glass receives "All-Star Tech," T.J. Garcia receives "All-Star Cast," and Lexi Hodges receives "Honorable Mention Cast." Since the cast only loses two seniors, the One-Act Play Cast and Crew will return next year with vengeance.

Cassity Glass receives her medal for the "All-Star Tech" award at the District competition at Panola Junior College.

Power Of Life

Paige Morgan

Power of Life gives adults and teenagers sixteen years and older the power to make a difference. With every one person who gives blood, three lives are saved. Blood donations help people with a variety of conditions, including accident victims, cancer patients, premature babies, and more. High School Blood Drives are only one of the ways hospitals get the plethora of blood they frequently require. The Power of Life Team, sponsored by Nurse April Richard, hosts four blood drives during the school year. This team consists of Ke'undra Bray, Logan Gilbert, Aaron Bess, Hunter Mercer, Maritza Diaz, Alexis Gordon, Xochil Vasquez, Cassandra Riojas, and Cassidy Glass. The Power of Life Program awards college scholarships to eligible students. The amount of blood donated during each blood drive helps determine the number of scholarships given. The Power of Life Program also donates \$500 for Project Graduation for schools who host four or more blood drives per school year.

Who's behind the book? The twenty-four hard working staff members and one detail-oriented adviser. The Yearbook Staff works day in and day out just to produce the best possible product. For most students, a regular school week is Monday to Friday. For the Yearbook Staff the school week never ends. The staff works all week and through the weekend to produce the best possible product for the school. The Yearbook Staff strives to use high quality photos and include as many members of the student body as possible. This is no easy task. Editors attend a yearbook workshop each summer in order to decide on that year's theme and book design, as well as, to learn the latest trends in yearbook design. These editors are then responsible for communicating this information to the staff. Yearbooks allow people to turn back time and reminisce. A yearbook is a tangible time capsule full of pictures and stories. It's our LEGACY.

Every year a group of high school students is chosen as sports trainers. These students are very dependable and have great work ethics. The coaches choose students that they know will be at every practice and every game.

"I only choose students that I know will get the job done. I choose students that I know are very reliable. If I tell them to do something, I know without a doubt in my mind, that it is going to get done", says Coach Terry Johnson.

Trainers learn anything from how to wrap a small injury themselves, to assisting coaches wrap even the most serious of injuries. Trainers also help to set up for all games and practices. They get the athletes ready for the games, check them for injuries, and make sure that all the water bottles are full of cold water. Sports Trainers include: Katy DuBose (Girl's Basketball), Jordan Eldridge (Girl's Basketball), Haley Mettlen (Volleyball and Girl's Basketball), Sarah Smith (Football), Xochil Vasquez (Football), Jarvis Shepard (Boy's Basketball), Raul Rios (Football), Esmeralda Salaiz (Girl's Soccer), Amelia Ibarra (Girl's Soccer), Cielance Bailey (Track & Field), Seth Johnson (Baseball), and Haley Thompson (Softball).

Cheerleading comes in many different forms and goes by many different names. However, the amount of heart put into it will never change. The cheerleaders put in so much work, above and beyond, with everything they do. They put together the first cheer competition for Diboll Day, participate and conquer many competitions across Texas, and spread Diboll spirit with all of the fundraisers that they do. After every game and during every practice, a cheerleader has the same feeling of accomplishment and pride in his or her heart. You don't have to be the best to start, but you have to start to be the best. The cheerleaders of Diboll High School will follow the LEGACY of undying pride until the end of time.

Alex Blee, Aaron Cordero, Juan Robles, and Austin Alvarez discuss game strategy while waiting to get into the game.

"You can't just beat a team. You have to leave a lasting impression in their minds so they never want to see you again." - Mia Hamm

With an unsuccessful record last year, this team strives to end this season in a positive light. Teamwork and strategy is the key to success, and the Jacks display just that with their tight bond as a team. Being such a young team, the future holds much excitement. This season two of our very own Lumberjacks receive honors for outstanding performance on the pitch: Alex Chavarria joins 1st Team All-District and Austin DuBose makes 2nd Team All-District. Both gentlemen graduate with a LEGACY left for future soccer team members.

Hard work. Determination. Dedication. These are only a few things needed in order to play to the highest level. These are some of the qualities the tennis team exhibits. With continuous unexpected cold weather, the team strives to stay ahead and not let the wind sway it. Early morning bus rides bring the players to tournament sites where they remain throughout the day to play and hopefully come home with medals. As new senior members Rudy Jasso, Zach Hobbs, Sunny Patel, and freshman Tristan Sims form fresh memories and promising future seasons, veterans such as Isabella Tamez and Lorena Rangel reflect on past matches and work hard to leave a LEGACY behind.

Isaac Hernandez dives to prevent the runner from scoring from third base.

This baseball season is like no other. Team chemistry on-and-off the field is very strong throughout the entire season. Head Coach Edd Trotter always says, "You have to want it. You can't just kind of want it." This thought process pushes the team to have an electrifying season. The team starts the pre-season with scrimmages and tournaments which are not so successful. Despite the rough start in the beginning, the Jacks head into the regular season with high hopes. After 3 wins and 2 losses in the first half of district, the team is unsure of what the future holds. However, with great coaches, hard work, and determination, the road to the playoffs just might be in sight.

CLASS OF '13

"The LORD himself goes before you and will be with you. He will never leave you, nor forsake you. Do not be afraid; do not be discouraged." (Deuteronomy 31: 8)

KOURTLON & ETHAN: "REMEMBER GRANNY PAM SAID COLLEGE FIRST THEN BOYS. WE LOVE YOU TYTi!"

DAD: "IT'S BEEN ROUGH, BUT WE MADE IT. I AM SO PROUD OF YOU. YOU WILL ALWAYS BE DADDY'S BABY. LOVE YOU!"

If My Heart Had Dreamed a Daughter
as unique as she could be
From her bold, courageous spirit
to her generosity,
From her caring disposition
to her charm and mystery....
She would have been a daughter
Just like you.

If my heart had dreamed a daughter
who would shine with style and flair
From the beauty of her smile
to the crinkle in her hair,
Who would bless my world with happiness
each year that we would share....
She would have been a daughter
Just like you.

You are that precious baby girl
my heart was dreaming of.
The one I would have chosen,
The one I will always love.
My bright, amazing blessing
sent from heaven above
My one and only YOU!

I am so proud of all you have achieved &
the young lady you have become!
Remember to always shoot for the moon.
Even if you miss, you'll land among the stars.
Love, Mom

Editors Edition

ZANE BLOUNT
Co-EDITOR

To the Editors,
What can I say, we did it! It sure has been a long year, but I can honestly say I hate that it has to come to an end. We have all bonded together through Oreos, coffee, and late nights. From Yearbook Camp in July to the yearbook deadline in April, We have somehow managed to capture the moments of high school that will stay with us forever. The only record of this school year at D.H.S. was left up to us, and we did it. Congratulations, Editorial Staff of 2012-2013. Each of you should be proud.

Your Editor-in-Chief,
Paige Morgan

PAIGE MORGAN
EDITOR-IN-CHIEF

To Mrs. Fannon,
You are so much more than our yearbook adviser. You are truly an amazing woman who can never be replaced at Diboll High School. Thank you for all the assorted types of Oreos, the life lesson speeches, and the constant grammar checks anytime we opened our mouths. Your strive for perfection has inspired this book to be the diverse book that it is. Mrs. Fannon, you have truly made your LEGACY at our school and in our lives, you will never be forgotten. We love you.

Dear Editors & Staff,
This book has evolved into such a beautiful master piece that you should ever be proud. You have accomplished much in such a short period. You will long be remembered for the editors and staff that created an historical book. One that reminds all of the past and the present. You have made your mark, **you** have left **your** LEGACY. One that can never be erased. It has been a true pleasure to serve as your Adviser. You are precious young adults that God has great plans. You will always be remembered.
Your Adviser,

Mrs. Kara Tannen

LEGACY

2013

With the year concluding, what type of LEGACY are you leaving? A LEGACY you can look back and be proud? The Class of 2013's LEGACY is to be imprinted upon the students and teachers of Diboll High School for years to come. Some LEGACIES will go beyond the walls of our school, reach our community, touch our state, and might eventually even impact our country. As we go our separate ways, we can reminisce and take pride in knowing we are leaving a LEGACY that will last. We must take ownership for the LEGACY we leave.
