Disclaimer:

The yearbook is the student-created publication of Diboll High School. The purpose of our yearbook is to tell the story of the year, and we strive for authenticity. While you may see photos of students and teachers not wearing a mask, you should know that we followed guidelines and social distancing to remain safe. Because we were not always able to take photos in the ways we normally would, some photos used in this yearbook were submitted by parents and students that may also have subjects who were not wearing masks or socially distanced. These photos are also part of the authentic story of the year, and we want to tell these students' stories rather than withholding their photos from the yearbook.

Every effort was made to ensure it is objective and accurate. While this publication was thoroughly proofread and edited, we know mistakes happen. We sincerely apologize for any omissions, misspellings, or other errors that occurred during this educational editorial process. Throughout this challenging year, our goal was to support one another, and we thank you for understanding.
