Forever in our hearts... **Mr. Gary Allen**

August 8, 1968 - October 5, 2023

Mr. Allen was such a light. I never caught him without a smile on his face, and we needed that kind of light around here. He was one of the first to find out I was pregnant with my Levi because I knew I could trust him to keep that a secret for a while. The first time I had morning sickness, Gary and I were at National FFA convention in Indiana. He went to Starbucks that morning, got me a green tea to settle my stomach, and allowed me to rest while he took care of our students. I have never known a more caring person and I am so thankful for the lessons he taught me about God and being a good role model. It was a true privilege to have Mr. Allen as my teaching partner. He left a lasting impression on me and our students.

Thankyou, Gary.
We love you and will see you soon.
"onkee donkey"?

Kelsie Cooper

Mr. Allen was a big man with an even bigger heart! A gentle giant, he was, and he will be greatly missed.
Steve Fullen

Mr. Allen meant a lot to us. He was always telling jokes that made everyone laugh. We could always ask for help and advice. He will forever be the best Ag teacher!

Preston Alvarez & Jacob Walker

Mr. Allen's infectious positivity and sense of humor brightened every day. He could always find something positive in every situation. He touched my soul and I will never forget him.
Sheila Stephens

Thank you for teaching me to speak "Gary Allen" and to always see the best in people. Miss you my good friend,
Missy Kaemmerling

**Life with Mr. Allen was a blessing.
The memory of Mr. Allen is a treasure.
Mr. Gary Allen... greatly loved, deeply missed.
*Tina and Phil Jowell***

Gary loved God, family, and others. He always put others' needs before his needs. Gary asked for nothing in return, except a handshake and a smile. This made him unique and different. He was my best friend and I will look for the day when I see him again.

Coach Hayland Hardy

My favorite memory of Mr. Allen is the day that he came to my door BEAMING with pride. He said Chantea just called to tell me that Tyler passed the bar & I just had to share it with someone too!

I always knew this day would come
We'd be standing one by one
With our future in our hands
So many dreams, so many plans
I always knew after all these years
There'd be laughgter, there'd be tears
But never thought that I'd walk away
With so much joy but so much pain
And it's hard to say goodbye
But yesterday's gone, we gotta keep moving on
I'm so thankful for the moments
So glad I got to know ya
The times that we had, I'll keep like a photograph
And hold you in my heart forever
I'll always remember you!

Spanish National Honor Society

2023-2024

Operation Clean Sweep 2024

The Spanish National Honor Society, also known as the Sociedad Honoraria Hispánica (SHH), is an academic honor society for high school students who excel in Spanish. The SHH's motto is "¡Todos a una!", which translates to "All Together for One Goal". The society's mission is to recognize students' academic achievements and to encourage interest in Hispanic studies.

The National Honor Society, The Spanish National Honor Society, The Interact Club, and The Student Council combined their efforts to serve at the Diboll Senior Citizens Christmas Luncheon. Giving of themselves is just a small part of what these groups do to serve others.

YEARBOOK

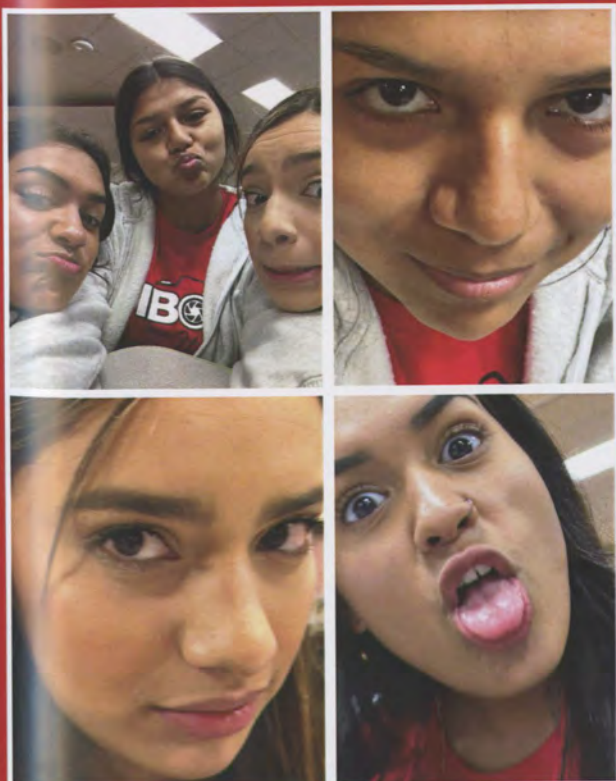

Co-Editors: Vivian Mireles, Baylee Williams
Yearbook Staff: Ismael Delacruz, Abigahil Garcia, Isaac Gonzalez Mendez, Brooklyn Hernandez, Keegan Nash, Destiny Ordaz, Amarys Pantoja, Maddison Perkins, Jade Scott, Ainsley Stuck, Zachary Whitehead, & Ray Williams
Yearbook Advisor: Mrs. Tina Jowell

The 2024 Lumberjack Yearbok Staff worked hard all year spending countless hours taking pictures, orgainizing photos, and creating amazing layouts for the Lumberjack Yearbook. All of these students were involved in several extra curricular activites from Band, National Honor Society, Drug Free Council, Drug Free All Stars, CNA, Cheer, Golf, Volleyball, Soccer, Softball, Tennis, FFA, just to name a few. They cleared their personal schedules to get the job done. They created a great yearbook and I am very proud of each of them, even when they got the teacher's phone to take a few memorable shots at the yearbook workshop! (I think they thought I didn't notice...lol) Thank you from the bottom of my heart for all of the work and effort you put into making this yearbook a special one.

Teacher of the Year Mr. Walker

Mr. Clint Walker has worn many hats in his life. He served in the United States Marine Corps and worked in the oil field after receiving his Environmental Science degree from Stephen F Austin State University. He also graduated from

the Police Academy at Angelina College and worked as a police officer in Nacogdoches.

Mr. Walker began teaching at Diboll High School in 2010. He has taught Biology, Robotics, Engineering and has sponsored the fishing club.

Thank you Mr. Walker for your service to our country, our community, and our school.

Reon Ogawa was awarded the esteemed title of "Student of the Year" during the DHS Awards Ceremony in May 2024. Just barely moving into the country as an 8-year-old, within his first few years, he placed multiple 1st places in UIL Art Memory and won an essay writing award demonstrating how early his commitment to excellence emerged, no matter the language or cultural barrier. However, the most impressive part of his journey is the consistency of his work. His senior year he kept a perfect 4.0 GPA and was the president of both the National Honor Society and the Class of 2024 earning his achievement as the Student of the Year. With a full-ride academic scholarship through Questbridge to Davidson College in North Carolina, Reon plans to become a developmental psychiatrist. Congratulations Reon!

When thank you is not enough...

Where do we begin? These two amazing giving-of-themselves Dibollians, richly blessed our schools and community. Jan and Burlon Wilkerson poured their lives into many areas of our small town. From 40 years in education, to 40 years serving in the PTSA, these two sacrificed by volunteering their time and energy so that others may benefit. Mr. Wilkerson was the Valedictorian of Diboll High in 1969 and after attending Stephen F Austin State University, he came back to DHS as an English teacher and UIL coach. Mrs. Wilkerson graduated from Chester High in 1971 and in 1973 became a graduate of Angelina College School of Nursing. Both professions are known for giving to others. "Teacher of the Year", "Parents of the Year", TCTA's "Friend of Education", Texas Governor's "Yellow Rose of Texas", and "UIL State Decathlon Champion Coach" are just a small fraction of the titles this wonderful couple were honorably given.

Mr. Wilkerson passed in July 2020 and Mrs. Wilkerson passed in September 2023. Our community will never be the same and we are each better people for having these two in our lives.

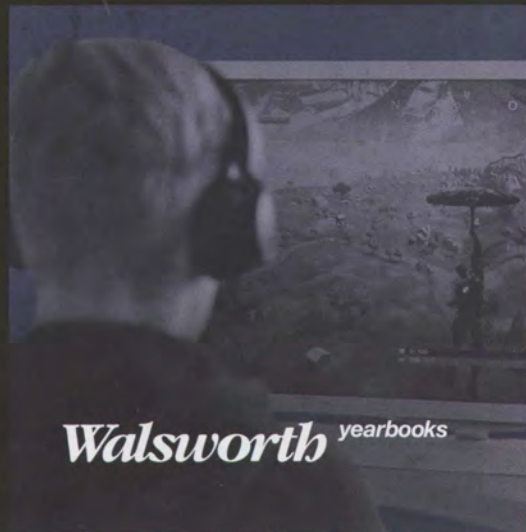

So, when thank you is not enough, hopefully a "Dedication of Appreciation" page in the 2024 Lumberjack Yearbook, the same year their first granddaughter graduated from Diboll High School, will be sufficient.

Thank you is not enough, but we are so thankful.

Taylor Swift performs her 44-song setlist to a sold-out crowd during her record-breaking Eras Tour, which became the first concert tour in history to gross over \$1 billion. The ongoing tour generated over \$6.4 billion in economic impact in the U.S. and Canada, turning Swift into a billionaire herself and paving the way for her to break the record for most No. 1 albums by a woman in history. Along with releasing three new albums, premiering a concert film and becoming the first person to ever win four Album of the Year Grammys, Swift shared the wealth by donating to local food banks at each tour stop and providing bonuses totaling over \$55 million to her Eras Tour workers. SHE'S A MASTERMIND

Taylor Swift announces the *Taylor Swift: The Eras Tour* concert film, with tickets selling for \$19.99 in honor of her 1989 (*Taylor's Version*) album. The movie notably cut out major distributors as Swift secretly worked with AMC Theatres directly. This meant she negotiated to keep 57% of the movie revenue, money that otherwise would have gone to a distributor, spurring other performers, like Beyoncé, to do the same.

IT'S A BARBIE WORLD

Actor Margot Robbie stars as Stereotypical Barbie in the Greta Gerwig-directed hit movie *Barbie*. Moviegoers everywhere painted theaters pink as they flocked to see the film, which raked in over \$1.4 billion worldwide and marked a historic milestone as the highest-grossing female-directed film of all time. The movie's soundtrack also broke records, with hits like Dua Lipa's "Dance The Night" and Billie Eilish's "What Was I Made For?" gaining viral popularity through streaming and social media platforms.

BARBENHEIMER BONANZA

The simultaneous release of Greta Gerwig's *Barbie* and Christopher Nolan's *Oppenheimer* on July 21, dubbed "Barbenheimer" by fans, quickly becomes the cultural phenomenon of the summer. The contrasting worlds of the glittery-pink, feel-good musical comedy and the dark, historical biopic took social media by storm and sparked an unexpected alliance between the two films. Deemed as the "great pop culture unifier of the year," the frenzy offered a box office revival as the fourth-strongest opening weekend ever in cinemas. Photo credit: Newscom

100 YEARS OF MAGIC

Disney celebrates its 100th anniversary on Oct. 16. The company, founded in 1923 by Walt Disney, became known for creating classic animated films like *Snow White* and *Cinderella*, as well as contemporary fan favorites, including the *Frozen* franchise. Disney celebrated this anniversary with special events at their theme parks, exclusive merchandise and the release of *Once Upon a Studio*, an original short film that followed Mickey Mouse as he gathered some of Disney's most legendary characters for a group photo.

A NEW RENAISSANCE

Thirty-two-time Grammy winner Beyoncé performs to one of five sold-out crowds at Tottenham Hotspur Stadium in London, England, during her 56-show *Renaissance* World Tour. The global tour stopped at a number of cities scattered across the U.S. and Europe, grossing a whopping \$579 million and boosting the American economy by \$4.5 billion. Her first solo headline tour in seven years, Beyoncé's *Renaissance* spanned almost three hours in length and saw fans of all ages dressed head to toe in dazzling sci-fi disco-themed outfits fit for a queen. THAT'S MY QUARTERBACK

American football players Marcus Mariota, Patrick Mahomes and Kirk Cousins attend the Hollywood premiere of Netflix's new television documentary series "Quarterback." The show became a hit as it took viewers behind the scenes of what life was like in the NFL for the three pro quarterbacks, with plans for a second season soon announced. Netflix's "Beckham," another sports documentary series that followed soccer icon David Beckham's meteoric rise and career, hit #1 on Netflix charts while garnering 30 million views and 145 million hours of viewing time in just three weeks. STRIKING IN SOLIDARITY

Actors Adam Sandler and Ben Stiller walk the picket line of the SAG-AFTRA strike in New York City. The Writers Guild of America (WGA) and the Screen Actors Guild-American Federation of Television and Radio Artists (SAG-AFTRA) both went on strike in the summer over wages, streaming residuals and job security related to AI. Both groups reached agreements with the Alliance of Motion Picture and Television Producers (AMPTP) in the fall and called off the strike. *Photo credit: Newscom*

driving change

President Joe Biden becomes the first sitting president to join a picket line as he speaks to union workers from three major car companies leading a historic strike under Union Auto Workers President Shawn Fain on Sept. 15. The strike began when dissatisfaction with stagnant wages and rising profits led the workforce to unite and cease operations. Striking came to an end on Oct. 30, as Ford, Stellantis and General Motors tentatively agreed to deals in line with UAW demands.

MCCARTHY OUSTED, JOHNSON SWORN IN

Congress successfully elects Rep. Mike Johnson as Speaker of the House following the failed attempts of three other Republican nominees. On Oct. 3, former House Speaker Kevin McCarthy was voted out of his position as a result of a motion filed by Rep. Matt Gaetz, leaving the House unable to conduct business for three weeks. This was the first time in American history a House speaker was removed from office before the end of their term.

UNDER PRESSURE

A recent study reveals that New York City, home to 421 skyscrapers, is sinking under the weight of its own buildings. Researchers from the U.S. Geological Survey and the University of Rhode Island studying sea-level rise in coastal cities found that the collective weight of the city's 1,084,954 buildings – amounting to a staggering 1.68 trillion pounds – was causing NYC to gradually sink by up to 2 millimeters per year. This, compounded with melting ice sheets linked to rising sea levels, posed a heightened flood risk to the Big Apple.

WOMEN OF LEGACY

The nation pays its final respects to former First Lady Rosalynn Carter, retired U.S. Supreme Court Associate Justice Sandra Day O'Connor and sitting U.S. Senator Dianne Feinstein, all of whom died in 2023. Carter was known for her advocacy of mental health during a time when it was not widely discussed, while O'Connor was the first woman appointed to the U.S. Supreme Court. At the age of 90, Feinstein was the oldest sitting senator and longest-serving female senator in U.S. history, but had recently faced calls to step down amid health concerns. Photo credits: Newscom

SHO-TIME!

Japanese baseball star Shohei Ohtani laughs after an MLB game between the Los Angeles Angels and the Atlanta Braves on July 31. A free agent once the season was over, Ohtani had plenty of reason to celebrate after he signed a 10-year, \$700 million contract with the Los Angeles Dodgers. It was the largest contract in pro sports history for the two-way All-Star player who both hits and pitches. *Photo credit: Newscom*

call it a dynasty

Kansas City Chiefs quarterback Patrick Mahomes shows off the Lombardi Trophy after leading his team to a 25-22 overtime victory over the San Francisco 49ers in Super Bowl LVIII on Feb. 11 in Las Vegas. After a halftime performance by Usher, the game came to a dramatic end when Mahomes threw a 3-yard touchdown pass to receiver Mecole Hardman to clinch the win. For Mahomes and the Chiefs, it was their second-straight Super Bowl title and third in five years. *Photo credits: Newscom*

A MAGICAL MATCH-UP

Inter Miami CF owners Jorge Mas, Jose Mas and David Beckham introduce Argentine soccer star Lionel Messi as the club's newest signing to a sold-out crowd at DRV PNK Stadium. The eight-time Ballon d'Or winner and FIFA World Cup champion signed a multiyear contract in July that will earn him upwards of \$60 million per year from his salary, signing bonus and team equity. The acquisition became the biggest signing in MLS history since Beckham's arrival at LA Galaxy back in 2007. Photo credit: Newscom

HAIL TO THE WOLVERINES

Michigan quarterback J.J. McCarthy hands the ball off to running back Donovan Edwards during the first quarter of the College Football National Championship Game on Jan. 8 in Houston. Edwards scored a 41-yard touchdown on the play, which got the Wolverines off and running to a 34-13 victory over the Washington Huskies. Michigan finished the season 15-0 and claimed its first football national title in 27 years. Photo credit: Newscom

ChatGPT, a large language model developed by OpenAI, has seamlessly integrated into both the workforce and classrooms, showcasing its intuitive features and capabilities. This model adeptly mimicked the human language and was trained on a diverse range of online text, enabling it to perform functions such as answering questions, translating languages, generating text, assisting in coding and more. Students and professionals alike rapidly began adopting ChatGPT, while world leaders rushed to address the potential risks of this rapidly evolving technology. *Photo credit: Sanket Mishra/Pexels*

FORTNITE FRENZY

Fortnite releases Chapter 4, Season 5, dubbed "OG" by Epic Games, on Nov. 3 and records 44.7 million players on the following Sunday, more than any other day in the game's history. Released by Epic Games in 2017, the game gained immense popularity due to its free-to-play model, accessibility across various platforms (including PCs, consoles and mobile devices) and its unique building mechanics. This blast from the past ignited a nostalgic spark in its players as they explored the original Chapter 1 map and enjoyed access to retired items from past seasons. *Photo credit: Newscom*

HEALTHIER TOMORROW

California bans the use of four food additives, including red dye No. 3, which is used in certain medications and thousands of candies, like Skittles. Previous studies linked red dye No. 3 to hyperactivity, behavioral issues and cancer. Lawmakers scheduled the California Food Safety Act, referred to by some as the "Skittles ban," to go into effect by 2027. *Photo credit: Newscom*

devastation in maui

President Joe Biden examines a burnt-out car as he and First Lady Jill Biden tour the damage from Maui's deadly wildfires with Hawaii Governor Josh Green and his wife, Jaime Kanani Green, on Aug. 21 in Lahaina, Maui. In early August, a series of wildfires broke out across Hawaii, initially sparked by downed power lines and later reignited by windy conditions. The wind-whipped fire, which became the deadliest in the U.S. in more than a century, prompted emergency evacuations and caused widespread damage, claiming 115 lives in the town of Lahaina on Maui's northwest coast. *Photo credit: Adam Schultz/The White House*
