Dear Mr. Hughes:

Mr. McWhorter advises that he is ready to close
my Mother's Estate at your convenience.

I will be gone most of the time till the last of October.
I would appreciate it if you would plan to attend to this
early in November.

It is important that it be done not much later than
this as I imagine it will be necessary for me to increase
my 1951 Estimated Income Tax payment -- on account of the
Estate -- and am anxious to know the additional amount I
^{might}
~~will~~ be required to pay.

Sincerely yours

Carlyle J. Plummer
