Hats off to all the fellows who are coaching Little League and Pony baseball this year. Many are taking on the job for the third and fourth time. And going through a 72-game schedule is a lot of work.

There's a lot of good baseball on tap each Tuesday and Thursday night at 6:15 at the ball parks.

For its size, Diboll has the finest arrangement of athletic fields in this part of the country.

Miller Park, home of the Independent Diboll Millers, is hard to beat in these parts, although few Miller teams have played in the park in the last few years. The Pony League games and the DHS games are played here.

The Little League Park is certainly a good one for this sawmill city. And, of course, our comparatively new football field is receiving more attention each year and is now at least suited to the type team we are fielding.

The one factor which stands above all is that the three parks are built close together.

When the Booster Club's project of a new fieldhouse realized Diboll will have an athletic layout it won't have to be ashamed of, whether, even when our high school team moves into AA competition.

Wherever you go these days folks, merchants that is, are urging home town citizens to spend their money at home . . . where it does the most good.

Trading at home is an important factor in today's mode of living. Actually it's a factor too many of us give little thought.

For example: Diboll merchants give money and merchandise to our schools year in, and year out. Perhaps \$20 for an ad in the Annual, \$10 for calendars, \$10 for football programs, \$5 to queens, candy at Christmas, and thousands of other requests are met by our businessmen with donations of dollars and merchandise.

These merchants DO NOT have to give to these campaigns. It is not the price they have to pay for simply being in business. They do it because they feel it their duty, and because they want to give . . . and help. It simply isn't right for con-

Supreme Court Justice Will Wilson has resigned his post on the State's highest tribunal to launch a fighting campaign for Attorney General of Texas. His resignation was made effective June 1.

"The most compelling call to duty for me today is to serve the people of Texas as their attorney general," Wilson said.

With a career as Dallas racket-busting district attorney, followed by six years on the Supreme Court, Wilson said he left the court "with reluctance." However he surprised few Capitol observers in responding to the challenge to serve as Texas' number one law enforcement officer.

"I have been asked why I am willing to leave the Supreme Court," Wilson commented. "Like the old cavalry general, I've always believed in riding straight for the sound of the guns."

"Certainly I know that I am deliberately turning my back on the security of a quiet harbor and certainly the course we will steer lies through troubled waters. But that's where the need is greatest."

"Texas' greatest need today is vigorous enforcement of our Texas laws. I believe I can serve Texas best in filling that need."

Most seasoned observers agree that Judge Wilson would have been re-elected without opposition to the Supreme Court. Both of his colleagues up for re-election are unopposed.

"I cannot remain on the Supreme Court while I campaign for Attorney General," he said.

On the issue of corruption in Texas government, Wilson's

WILL WILSON

statement was quick and clear-cut:

"We're way past that as an issue. The only issue today is who is best qualified to clean it up."

"I believe my record as two-time assistant attorney general, prosecuting district attorney and supreme court associate justice qualify me to do the job."

Wilson was elected to the Court in 1950 by a heavy majority. He is one of the youngest men ever to serve on the high bench. While District Attorney he gained national recognition in stamping out organized crime in Dallas.

BULLETIN

Batting averages of individual players in the Pony-LL will be carried in this publication as soon as a statistician is made available to both leagues. Averages will be based on 20 at bats.

This service will probably begin the second week in June.

sumers to spend their dollars in distant towns where they fail to receive the 'double dividend' . . . that portion of sales profit that businessmen and women return to THEIR school and community.

—PAUL DURHAM

Little League Officially Opened Thursday

TOMMIE FENLEY and Don Hendricks pose with Arthur Temple Jr. after they made their major league catches at the Pony-LL opening ceremonies held at LL Park last Thursday night. Mr. Temple addressed the audience, managers, and some 120 little leaguers before throwing out the two baseballs that officially opened a 72-game Summer schedule. The Southern Pine Lumber Co., president said that he would send the balls to some of the major league greats for autographs.

Fenley plays for the LL Yankees and Hendricks is a member of the Pony League Giants.

Pony League Players Now Protected

The Diboll Insurance Agency last week secured insurance protection for players in Diboll's Pony League baseball outfit.

Announcement of the insurance coverage was announced at Thursday night's opening ceremonies by League President Calvin Lawrence.

Diboll Insurance Agency is sponsoring a team in the league and announced that it also is providing the insurance to Pony Leaguers as a public service.

Insurance on all Little League players was obtained before the franchise was purchased here four years ago.

PTA Holds Last Meeting Of Year

The Diboll PTA met May 17 in the Diboll community center for its last meeting of the year.

The meeting was called to order by the president, Calvin Lawrence, Rev. Don Turner led the group in prayer and then gave the devotional.

Delores Camp explained Teen Town, which has recently been organized to provide wholesome summer recreation for the teenagers of Diboll.

The group was entertained by songs with Betty Hannah, Nell Burchfield Sandra Ashworth and Johnnie Sue Fox from Mrs. Ted Grogan's eighth grade.

Mrs. Lee Estes installed the

new officers. They were: Mrs. Jewel Brown, president; Mrs. Mary Jane Christian, vice president; Mrs. Claud Welch, treasurer; and Mrs. Joe D. Smith, secretary. New officers were elected at a meeting held earlier this spring.

In behalf of the PTA, Robert Ramsey, high school principal, presented the PTA Scholarship award to Delores Camp.

Mrs. W. F. Pate's fifth grade won the room count.

Refreshments were served at the close of the meeting.

Mr. and Mrs. G. S. Smith have been visiting Mr. and Mrs. A. B. Smith and daughter of Dallas. They attended Suzanne's dance recital.

HAMP BYERLY'S OATFIELD

On his up-to-date farm two miles east of Diboll on FM 58, Hamp Byerly this year raised 17 acres of the best looking, and highest oats in the East Texas area.

Mr. Byerly harvested the oats

last week, and the 17 acres has yielded 820 bales of quality hay. The oat field adjoins another 90 acre plot, also belonging to Mr. Byerly.

The oats were waist-deep in most places and in many sections of the field grew nearly

high enough to obstruct Byerly's horse 'Penny' from sight.

The most modern baling machines and rakes were used to harvest the oats. The 820 bales were mowed, raked, baled and put into the barn in a days time.

Yankees Beat Indians In Little League Opener; Cards Blast Pony L. Tigers, 18-0 Thursday

NOTICE

Acceptance of nominations failed to materialize as the Diboll Booster Club attempted to install new officers at its noon meeting last Thursday.

Several nominations were made but no further action could be taken.

President John Lea said that installation of new officers will probably be made complete at the Club's business meeting next Thursday.

In other business, the Boosters—made only minor changes in approving the charter for Teen Town in Diboll.

Bennett-McCall Marriage Announced

Mr. and Mrs. B. P. Bennett 590 Elgie St., Beaumont, announce the marriage of their daughter, Dorothy Jean, to Morris Drew McCall, son of Mr. and Mrs. T. A. McCall of Port Neches.

The wedding took place May 11 in the parsonage of the Methodist Church in Port Neches with the Rev. F. I. Dawson Jr. officiating at the ceremony.

The bride is office-manager secretary at Baptist Hospital and Mr. McCall is assistant City attorney and head of the delinquent tax department for the city.

Mr. and Mrs. McCall are at home at 632 1/2 Washington Blvd.

All games should start promptly at 6:15 p.m. so that all of the games can be played as of schedule. Little League Baseball stipulates that no inning may start after 9:30 p.m.

Home Making students interested in taking the summer craft course as part of their Summer project should convene at the high school at 8:30 a.m. for the first class next Tuesday.

DO SOMETHING TODAY

Twenty-Three Decide

Demo. Candidates To Speak Here July 19th

Politics will swing into the county spotlight in July.

Five political rallies have been scheduled for Angelina County, beginning July 12 with a session at Central. On July 17 candidates will speak at Zavalla, July 19 at Diboll, July 24 at Huntington and July 26 at Lufkin. Each of the rallies will begin at 8 p.m.

Candidates for district offices and state representative will not be allowed more than 15 minutes of speaking time. Precinct

JAMES WALKER finished his career in college tennis last Saturday after playing three years of high school and two years of collegiate tennis. His high school tennis was played at Athens.

He is a pharmacy major in his college and will attend the University of Texas next fall. He says that squirrel hunting with his stepfather Ed Crawford is one of his favorite pastimes.

While in high school he won district honors three years and copped the regional title two years. In 1953 Walker won the Texas Youth Federation tournament in singles and doubles, and the East Texas Open at Tyler.

In 1954 he won the DeMolay state title and last summer he walked away with the Lufkin city championship.

Walker has been a number 1 player at Stephen F. Austin for two years.

Opening Date New Cafe Gives

Date for the Grand opening of the new \$30,000 cafe in The Village has been moved up to June 17, according to Elwyn Jones, president of Temple Associates.

Much equipment and furniture has not yet been delivered thus causing the delay.

"Grand opening ceremonies will be on Sunday, June 17."

The 1956 Pony and Little League season was officially opened last Thursday night at the L-L Park as some 150 fans were out to watch 120 pint-size major leaguers lock horns in the first four games of a 72 game summer schedule.

Arthur Temple Jr. praised the managers of both leagues in his opening address, commented on Diboll's well-constructed park, then threw out baseballs to the Pony and L-L players. The balls were caught by Tommie Fenley of the L-L Yankees and Don Hendricks of the Pony League Tigers. Mr. Temple said he would try to get the balls autographed by several major league players, as he did last year for Little Leaguer Robert Squyers.

YANKEES 5—INDIANS 2

Tommie Fenley relieved Lamar Forgue in the second and pitched beautiful ball the rest of the way as the defending champion Yankees whipped the tough Indians, 5-2, in the opening program.

In the second game, Ralph Poulard pitched near-perfect for six innings as the Dodgers shut out the Cubs in a well played ball game.

CARDINALS RUN WILD

In the Pony League, the Cardinals chalked up an 18-0 win over the hapless Tigers. Kelley Welch went all the way for the Cards.

The Giants and Athletics went into extra innings in their contest. Billy Frank Pate finally tired in the late innings and the Giants went on to win 11 to 10.

It was announced that Southern Pine will again award trophies to the best sports in both leagues.

All games will be played on Tuesday and Thursday nights beginning at 6:15.

Clerk-Carrier Exams Announced

The U. S. Civil Service Commission has announced examinations for Substitute Clerk-Carrier at \$1.82 per hour for employment in the Diboll Post Office.

Further information and application forms may be obtained at the Post Office or from the Regional Director, Eighth U. S. Civil Service Room 103, 1114 Commerce Street, Dallas, Texas.

FIRST SGT. EARL BURCHFIELD, son of Mr. and Mrs. Robert Burchfield of Diboll, was graduated from Allen Military Academy at Bryan Monday. The Graduation ceremonies were at 8 p.m. Monday night.

Earl is a former football and baseball star for the Diboll High School Lumberjacks and has pitched topnotch baseball for the Academy during the last two years.

Rhythm Band Gives Recital Tues. Night

Mrs. W. F. Purdy's Rhythm Band and music pupils appeared in recital before approximately 180 parents and teachers at the High School Gym last Tuesday night.

The Rhythm Band sang and danced such numbers as "Let's March," "China Boy," "My Dog Spot," and "When I Was A Lady". Participating in these and seven other numbers that opened the show were: Stan Turner, James Greer, Tray Denman, Bobbie Burns, Glen Price, Judge Cannon, Jim Burns, Lynn Pavlic Beckie Cook, B. J. Burns, Fran Rich, Lisa Denman, and

Deanna Ramsey. The Birdland Song was done by the Music Class, followed by "The Child And Her Daddy" by Suzanne and Mr. B. E. Franks. "I Like To Dance The Minuet" featured: Stan, Bobbie, Judge, Glen, Beckie, B. J., Deanna, and Fran. A rock and roll number was offered by Rose Mary Treadway, Billie Baker, and Tiny Vicky Harris. "It's Raining" spotlighted the Rhythm Band Girls, while the Rhythm Band Boys displayed their talents in "Ride 'Em Cowboy". Another number, staged as a

"spectacular" featured: Sharon Christian, Sandra Powell, Joan Wells Gloria Taylor, Tommie Lewis, Nita Ramsey, Carol Breazeale and Peggy Poulard. The "Mother Goose Parade" had this talent: Mary Sue Prewitt, Lisa Denman, Jim Burns and the rhythm band and music pupils. The audience expressed definite approval of showmanship abilities displayed by the pupils. Piano accompanist was Miss Betty Brown.

Tips on Touring

By Carol Lane
Women's Travel Authority

Even if you have "permanent type" anti-freeze in your car it needs draining come spring—and that means NOW. So say automotive experts, adding that "permanent type" anti-freeze should be used one winter only because there is no way to prevent its contamination during normal engine operation. To guard against engine rust and corrosion:

1. Drain anti-freeze each spring, after freezing weather is past.
2. Flush the cooling system thoroughly when the anti-freeze is drained, using a chemical cleaning compound if needed.
3. Install a rust inhibitor and fresh water.
4. Install fresh anti-freeze in the fall.

In climates where anti-freeze is not required, the water and inhibitor should be drained and replaced in the spring and fall. "Inhibitors" are chemical additives put into the cooling system to neutralize any acids which may form there. However, water inhibitors are not necessary for inhibited anti-freeze and should not be added. If the water inhibitor is not compatible with the anti-freeze, it may do more harm than good. Mixing different brands of anti-freeze is not recommended and should be avoided. There is the danger that the inhibitors will react chemically with one another to reduce corrosion protection, form deposits in the system, or promote foaming. So, motorists, this spring be penny and pound-wise. Drain your anti-freeze NOW to avoid engine rust and corrosion next fall.

Volunteer Group Enjoys Picnic

Members of the Diboll Volunteer Fire Department enjoyed fried chicken with all the trimmings at Southern Pine Lumber Company's Boggy Slough clubhouse Saturday night. Only a few outside guests were invited. The event is staged annually by the department, with the cooperation of Southern Pine Lumber Co.

HELPFUL HINT

When water-skiing in deep or cold waters, it's smart to wear one of the new light-weight safety vests no matter how expert a swimmer you may consider yourself.

THIS PITCH opened the 1956 season for Pony and LL Last Thursday night. Arthur Temple, Jr., heaved the pitch that was caught by Yankee Tommie Fenley who later came in as a relief pitcher as the Yankees beat the Indians, 5-2. Fenley fanned 9 batters from the second till the sixth inning. Mr. Temple, in a pre-game address, lauded managers of both leagues for the outstanding work they are doing with the youngsters of Diboll.

Hazardous Rescue Of Sick Crewman

NEW YORK — A coast guard plane waits in the Atlantic Ocean, 60 miles southeast of New York to pick up a sick sailor aboard the approaching lifeboat. The seaman, a sick crewman from the Norwegian ship Fernspring, was seriously ill from drinking wood alcohol. It was feared he would die if not taken to a hospital at once. Landing the PBM in open waters is considered hazardous, but was successfully accomplished.

Farmers Guide

Millions of farmers who build their own farm buildings and select their lumber grade mark as a guide. Farm buildings require strong lumber of good quality, and farmers don't need to be lumber experts to know they are getting quality when the lumber is grade-marked. Most lumber species practice grade-marking, a device aimed at consumer protection. In the case of Southern Pine, for instance, the grade-mark means the lumber has been inspected and meets standard set for the quality of manufacture, seasoning and grade.

Seniors Return From Galveston Trip

The 156 Senior Class returned from their trip to Galveston, which lasted from Monday until Wednesday. Majority of Class members made the trip with the students were Mrs. Raymond Salmon and Mrs. V. C. McKinney. Lloyd Burris drove the bus.

Want LOW UPKEEP on Your Home?

NO COMMENT
Washington—The nation's economic growth is being utilized for growth of the government. There is more—rather than less—government spending.
Between fiscal 1955 and 1957—based on current available data—federal government revenues will have increased about \$9 billion with none of it going back to the taxpayer.

This situation is distressing to the economy advocates in Congress, who are greatly concerned over constantly rising spending.
Here's the fiscal situation at the present time:
A joint Treasury-Budget Bureau statement estimates the

'IN THE VILLAGE'

Deep In The Heart Of Texas

Texas Longhorn Cavern, the world's third largest cave, is one of the nation's most impressive natural wonders. Over eight miles of its labyrinthian splendor have been explored without an end being reached and the lowest point on the guided tour is an eerie 120 feet below the surface. The cavern is a popular attraction for tourists and sightseers, especially in the summertime, because it is a real cool cave. The temperature inside remains at a comfortable 64 degrees even in the hottest summer weather. Longhorn Cavern is located off U. S. Hwy. 281 four miles south of Burnet.

surplus at \$1.8 billion for the fiscal year ending next June 30. The administration says this will permit "a most welcome reduction in our huge national debt."

The staff of the joint committee on internal revenue taxation estimates the surplus at

Sultan Looks Over Newest In Harem Fashions

Set in Turkish harem-type background, these models help show the latest fashions for milady's wardrobe, harem style, brought to this country for the first time by Hess Brothers, Allentown, Pa. The gowns are originals, designed by Olgunlasma Enstitusu, from Istanbul, Turkey and were displayed in novel fashion show at Belmont Plaza, New York City. Left to right the Hess models are Susan Coshery, in "Byzantine Splendor," Nancy Gallagher in "Sultan's Favorite," and Betty Kramer in "Caliph's Kaftan." The gowns are in the same order—a sleek and sophisticated ballgown; an evening gown featuring harem skirt and evening gown adapted from the classic Turkish coat worn by sultans over voluminous trousers.

SPORTS FLASHES

Pittsburgh Pirates are flocking back to Forbes Field, now that they have an exciting team to watch. At the rate they are going now, they could hit the magic 1,000,000 mark in attendance this year. Last season when the Pirates finished eighth for the fourth straight year, their attendance was only 469,000.

Rangers Featured On Texas In Review

The famous Texas Rangers will be featured on Texas in Review June 4, 5.

Throughout the early troubled years of conflict within and along the border of Texas, the Texas Rangers played an effective role. And today's highly trained Rangers are still playing an important role in law en-

forcement within the State. They do more than check the cattle rustlers. The Texas Rangers, a division of the State Department of the Public Safety, are charged with enforcement of laws governing major crimes, riots, an insurrection.

Next week The Humble Company's TV program, Texas In Review, will present the first of two features about the Texas Rangers. The first feature shows how the Ranger organization has been modernized and its very efficient crime laboratory in Austin. The second feature, showing the Rangers in action, will be shown a week later.

Tuesday, June 5, Texas in Review can be seen on KTRE at 6:30 p.m.

Precipitation Monday

Late Spring rains thundered in over Diboll Monday to the tune of 3-4 of an inch. Gardens and crops received a beating from the heavy 30 minute downpour; little of the water seemed to stay on the ground.

Veterans Asked to Cash Leave Bonds

Dallas — Thousands of World War II veterans in Texas holding Armed Forces Leave Bonds that have drawn no interest for five years or longer, and Uncle Sam would like to pay up—an average of \$200 apiece.

Jesse L. Adams, Jr., state director of the U. S. Treasury's Savings Bonds Division, has an idea for these ex-G-I's who apparently don't need the money right now. He suggests they redeem those Leave Bonds and put the money in Series E Savings Bonds, which pay 3 per cent

interest compounded semi-annually when held to maturity of nine years and eight months. no better place to put the money than in safe, sure, indestructible United States Savings Bonds.

In the country as a whole,—130,000 veterans hold Leave Bonds worth \$26,000,000. It's all that's left of more than two billion dollars paid to members of the Armed Forces discharged between April 1943 and October 1, 1946. The five-year bonds, at an interest rate of 2½ pct. a year, were used to reimburse veterans for unused leave.

A special act of Congress in 1947 made the bonds redeemable after September 1 of that year. Some \$1.5 billion were cashed within the next few months;—others were held to draw additional interest. However, the last of these matured on October 1, 1951, and have drawn no interest since that date.

"Now the Treasury would like to clear its books of this bond issue," Mr. Adams said, "and is calling on all veterans' organizations to help locate the 130,000 bond owners. Then when these bonds are cashed, I can think of

NATURAL GAS...

...important factor in the production of Brick and Tile

It may seem a far cry from natural gas to brick and tile, but here in the Gulf South where many plants manufacture these products, gas plays an important role. In the heating processes required, natural gas provides clean, even-temperature heat . . . producing better brick and tile . . . more economically.

To keep pace with the demands for their products, brick and tile companies need a continuous supply of dependable fuel. United Gas offers this great industry, and all other industrial plants locating along its pipe lines, adequate, uninterrupted supplies of fuel the year around . . . an important factor in attracting industry to any community.
