

J. T. ARRINGTON

TAX ASSESSOR FOR ANGELINA COUNTY

Diboll
LUFKIN, TEXAS

Dec. 16, 1911.

Dear Mr. Bert,

Mr. Green, one of the neighbors, asked for your address yesterday so he could write you in regard to pigs. I have an idea that he wants information as to whether my pigs are registered or not. He is afraid we will interfere with his hog trade.

If you reply to his letter please don't give any information about the pigs you gave me. If they are registered I don't care for him knowing it but if they are not it is none of his business just at present.

This may sound like a foolish request but this man is a friend like one certain man there is to you.

Give my love to Mrs. Bert and baby and believe me, to be
your friend

Kate.
