Miss Margaret

Dear Al:

How are you by now fine &
hope I am feeling better to-day.
Thought I would write you a few
lines this evening to let you know
that I come home to-day I really
was glad to get out of that place I
liked the people who lived there
And thinking of home too
made it pretty full but those 10
days past just like a dream to
me.

I was pretty sick for three or
four days but after that I felt good
now I will have to stay in bed a
week or so around nothing.

I sure wish I could go to the fair
but I don't know where I am are not
well I guess I had better close so
by by and come to see me
evening Sweet.

Yours
Norman
