

Received this 5th, day of October 1909 at the hands of the Texas South Eastern Railroad Company fifty five & no/100 dollars (\$55.00) being amount due me for time lost by me on account of accident sustained while in the service of the above Company on or about the third day of August 1909. It is understood that this amount represents time lost to date and it is further understood that the said railroad Company is to pay me for time lost hereafter until I am able to resume work as is decided by Doctor D.A. Mann at the same rate as this payment is made and when balance under this agreement is paid me by said railroad Company this receipt will stand void and I will sign receipt and release covering full amounts paid me by said railroad Company.
